10th Convocation

29th September, 2024

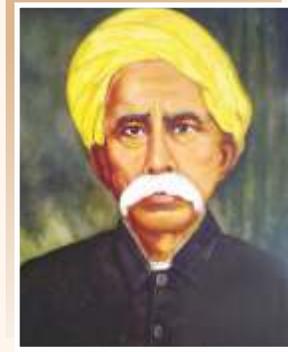

BRCM
College of Engineering & Technology

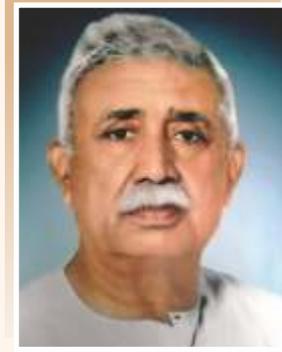

Bahal (Bhiwani)-127028, Haryana

The Founders of BRCM

कर्मण्येवाधिकारस्ते मा फलेषु कदाचन। मा कर्मफलहेतुभूर्मा ते संङ्गऽस्त्वकर्मणि॥

Shri Ballaram Chaudhary
(1874-1949)

Shri Chhogmal Chaudhary
(1921-2006)

“There is nothing more primeval than the child... That endlessly reborn to man through the ages and yet he is new and tender, as innocent and sweet as he was on the very first day.”

Ballaram Hanumandas Charitable Trust

Ballaram Hanumandas Charitable Trust, Kolkata (BHCT), founded in the year 1977, headed by Industrialist, Educationist & Philanthropist Shri Hari Krishna Chaudhary, is a CSR project of Vikram-Pratibha Group of Industries. The Trust has been set up with an objective of transforming the much deprived rural area surrounding the Chaudhary Family's ancestral village Bahal (District Bhiwani) in Haryana, 30 KM north of Piani (Rajasthan). As responsible citizens, the founders of BHCT firmly believed that providing quality education will result in long lasting overall growth of this remote region. A small but visionary effort has now turned this village into an 'Oasis of Learning' spread over in more than 100 acres on three different Campuses. BHCT heralded its educational initiatives through BRCM Education Society, Bahal.

Institutions Under Patronage of BRHD Charitable Trust Managed By BRCM Education Society

▶ BRCM College of Engineering & Technology, Bahal (Estd. 1999)
▶ GDC Memorial College, Bahal (Estd. 2011)
▶ BRCM Law College, Bahal (Estd. 2018)
▶ BRCM Public School, Shishukunj, Bahal (Estd. 1987)
▶ BRCM Gyankunj School, Bahal (Estd. 1987)

Vision

To be a value based leading institution ensuring Academic Excellence, Research, Nurturing Innovation and Entrepreneurial Attitude to produce competent technocrats for service to Nation.

Mission

To develop BRCM College of Engineering & Technology into a “Centre of Excellence” in the field of technical education by:

- Providing state-of-the-art laboratories, workshops, research and instructional facilities.
- Encouraging students to delve into technical pursuits beyond the curriculum.
- Promoting Post-graduate teaching and research.
- Creating an environment for all round integrated personality development of students suited for the era of converging technologies and skills.

Quality Policy

Brcm College of Engineering and Technology is committed to create “renaissance engineers” who excel in Engineering and Applied Sciences but also have a broad knowledge of other disciplines and wish to connect advances in Engineering to society’s most challenging problem of 21st century by continual improvement of QMS.

Our Chief Guest

Prof. Rajbir Singh

Vice-Chancellor

Maharshi Dayanand University
Rohtak (Haryana), India

Born and brought up in a peasant family of Haryana, Prof Rajbir Singh serves as vice Chancellor in one of the oldest higher education Institutions of Haryana state- Maharishi Dayanand University, Rohtak. Earlier he has served as the Director of Consortium for Educational Communication under University Grant Commission (UGC)- the apex body on higher education in the country under Ministry of Education, Government of India. Under his leadership and vision, the ambitious project of Digital Education was accomplished and new ones- SWAYAM and SWAYAM Prabha took off. He has also been the Vice Chancellor of India's unique State University of Visual and Performing Arts at Rohtak.

A PhD in the increasingly relevant field of development Communication, he is also a double Masters- both in English Literature and Journalism and Mass Communication. Besides, his law background (LLB) also enlightens his administrative abilities. Beyond his administrative and professional roles, Prof. Rajbir Singh has actively been a part of various philanthropic and social initiatives like promoting and supporting gender equity, empowering rural background learners, special learners and others. His leadership style emphasizes collaboration, transparency, and a student-centered approach, making him a transformative influential presence in the educational landscape. He works relentlessly towards the democratisation of higher education in the country and therefore increasing its reach and access for the 'last man in education'. Widely travelled, he has been a man of deep rooted connection with Haryana, its culture and its people. He is firmly situated in the social-cultural-linguistic triad of the region has always inspired him to contribute to the region. He has instituted, many in personal capacity, scholarships and other financial help mechanisms for the rural and underprivileged students. He has also promoted disability inclusion at the University level. He is staunch believer of philosophy of Karma in srimadbhagwadgita and has Charaivaiti Charaivaiti as his inspiration and force in his life.

Prof. Singh has been awarded by President of India for his immense and valuable contribution to the efforts of digitalization of the higher education in India. He has also been awarded by Haryana Government and several other institutions and agencies for contributions to diverse fields.

Message of the Chief Guest

Prof. Rajbir Singh

Vice-Chancellor

Maharshi Dayanand University
Rohtak (Haryana), India

Message

I feel delighted to acknowledge that BRCM College of Engineering and Technology, Bahal is one of the most prominent and promising institutions affiliated with Maharshi Dayanand University and it is disseminating quality technological education to the students hailing from predominantly rural and other far-flung areas. It is all the more great to notice that just last month the college celebrated silver jubilee of its establishment and 25 years of successful execution of its services to the humanity.

It is one of the pioneering educational institutions of Bhiwani and its surrounding regions and it has made its mark in academic and extracurricular domains ever since its establishment for last more than two and a half decades. It is further great to note that all its functionaries remain abreast of the latest educational requirements of the society and endeavor to impart most up-to-date and innovation-inducing knowledge. The able management of the college ensures that its policies for imparting knowledge remain in tandem with the national policies. It gives me pleasure to note that BRCM College is organizing its 10th convocation and it is also publishing a souvenir in commemoration of this ceremony.

I wish all the very best to all the graduates who will be receiving their coveted degrees in the convocation and wish a very bright future for each one of them, while urging them all for passionately pursuing their pious goals with fervour and enthusiasm. It would be great as all the degree holders remain resolute to bring betterment and development in the society with their every single action that is committed towards its welfare. I am sure, despite the fact that all these recipients of graduation degrees are outgoing students of the college, yet the college fraternity will continue to extend their unfettered support to them all and guide them in every kind of progression in their lives.

May the publication of this souvenir serve the purpose of commemorating this ceremony and make the memories of this remarkable day everlasting, and all the very best for a very successful accomplishment of this coveted convocation ceremony!

(Rajbir Singh)

The Guest of Honour

Sanjeeva Kumar Singh

**Ex. Sr. Vice-President & Head Corporate Relations
Tata Housing & Realty Ltd., Mumbai (Maharashtra)**

Message

It is indeed a matter of joy and pleasure to learn that BRCM College of Engg & Tech is organising the 10th Convocation on 29th September 2024.

Am sure that the students who will be conferred the degrees on the 10th convocation will put what they have learnt to practice for the greater cause of mankind. They all will make significant contribution to further pace of development of Country and the State. BRCM has carved a niche in the sphere of higher education and their students acquiring high quality education and skills will help in building a stronger India.

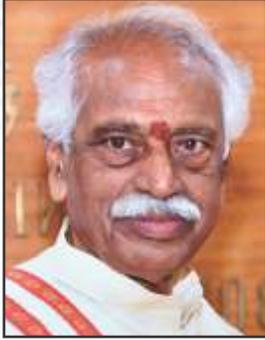

I extend my heartiest congratulations to the new graduates and post graduates. May they excel in life and in whatever they aspire.

Wishing the University Management, organising committee and convocation a huge success.

Jai hind!

Warm regards

(Sanjeeva Kumar Singh)

Bandaru Dattatraya

**Governor, Haryana
(Chandigarh)**

Message

It is a matter of great delight to learn that the 10th Convocation of BRCM College of Engineering & Technology, Bahal, Bhiwani, and affiliated to MDU, Rohtak, will be held on 29th September, 2024. A souvenir is also being brought out to commemorate the occasion.

There is no denying the fact that convocation is a significant milestone in a student's academic journey, marking the culmination of years of hard work, dedication, and personal growth. It is a moment of celebration and recognition, where students are honoured for their achievements and officially conferred with their degrees.

Beyond the formalities, convocation symbolizes the transition from one phase of life to another, empowering graduates to step into the world with confidence and a sense of accomplishment. Ultimately, convocation is not just an end but a beginning, as it inspires graduates to pursue their future aspirations with the same determination and resilience that brought them to this pivotal moment.

I would also like to take this opportunity to call upon the management of BRCM to implement the provisions of the new National Education Policy-2020 for realizing the vision of an inclusive Viksit Bharat by 2024. By emphasizing equity and inclusion, the policy seeks to bridge the educational gap between urban and rural areas, ensuring that every child, regardless of background, has access to quality education.

This inclusive approach is vital for nurturing a skilled, innovative, and responsible citizenry capable of driving the nation's economic and social progress. The NEP's focus on critical thinking, creativity, and lifelong learning is designed to equip future generations with the tools they need to contribute meaningfully to a developed and self-reliant India.

Best wishes!

(Bandaru Dattatraya)

Shri Nayab Singh
Chief Minister, Haryana
Chandigarh

Message

I am pleased to learn that BRCM College of Engineering & Technology, Bahal, district Bhiwani is organizing its 10th Convocation on 29th September, 2024 and a Souvenir is also being released to mark the occasion.

While the convocation symbolizes the culmination of years of study, hard work, and dedication, it also marks a watershed moment in the academic journey of a student - a day of celebration filled with optimistic expectations for the future. On this auspicious occasion, I congratulate the management, staff as well as students of the College.

The College is dedicated to delivering quality education to its students. I hope that it will continue to offer exceptional education, equipping students with the skills and knowledge needed to effectively tackle the challenges of the future.

I am sure that the graduates from this College will make their significant contribution in further accelerating the pace of development in the state and the country.

My best wishes.

(Nayab Singh)

Prof. T.G. Sitharam

Chairman
All India Council for Technical Education
New Delhi

Message

On the occasion of the 10th Convocation Ceremony of BRCM College of Engineering and Technology, I extend my heartfelt congratulations to all the graduates, faculty, and the entire BRCM community. This milestone is a testament to the dedication, perseverance, and excellence that define this esteemed institution.

BRCM College of Engineering and Technology has played a pivotal role in advancing education in Haryana. Through its commitment to providing quality education, fostering innovation, and nurturing talent, BRCM has significantly contributed to the intellectual and professional growth of its students. The college's efforts in promoting a culture of continuous learning and development have not only benefitted the individual students but have also made a substantial impact on the community and the nation at large.

I commend BRCM College for its unwavering dedication to excellence in education. The graduates today stand as a proud testament to the institution's success and its vital role in shaping the future leaders and innovators of our society.

I extend my best wishes to the Class of 2024 and BRCM College on 10th Graduation Day. I encourage each student to carry forward the values of integrity, perseverance, and excellence that BRCM College has instilled in you.

Congratulations to BRCM College! May the College continue to scale new heights of excellence in the times to come.

With warm regards.

(T.G. Sitharam)

Prof. Tankeshwar Kumar

Vice Chancellor

Central University of Haryana
Mahendergarh (Haryana)

Message

I am happy to know that the BRCM College of Engineering & Technology, Bahal (Bhiwani), is organizing its 10th Annual Convocation on 29th September, 2024.

The Convocation is an important and memorable event in the life of students as they receive their degrees as a result of their continuous dedication and hard work. The passing out students should understand that learning is a life-long process. So, they should keep working dedicatedly in the area of their interest to achieve excellence in the desired field. They should be determined to achieve the knowledge and skills which can bring positive change for the betterment of the society. They should remember that mere knowledge of a subject/field won't do, as it also required feeling of patriotism in each citizen for the overall growth of the nation.

Therefore, I am sure that the students will act responsibly and make most of their ability and skills to pave the way of development for the nation.

I congratulate Dr. Anuj Kumar Sharma, Principal, BRCM College of Engineering & Technology, Bahal (Bhiwani), for organizing this prestigious event and convey my best wishes for the success of the Convocation.

(Tankeshwar Kumar)

Prof. Somnath

Vice-Chancellor

Kurukshetra University, Kurukshetra

Message

It gives me immense delight to know that BRCM College of Engineering & Technology, Bahal, Bhiwani is organizing the Convocation and a Souvenir is also being brought out to mark the occasion.

The Institute has done an impactful service to the cause of Technical Education in the region in a short span of time. I am sure that it would continue to impart quality education to its students and enable them to become leaders in their respective fields of activity. Convocation is indeed a distinctive occasion when the Alma Mater bestows on its graduates degrees in recognition of the successful completion of their academic endeavour.

I hope that the present success will further instill a sense of confidence in the graduates to embark on the path of accomplishments in the ever-expanding realm of life's activity.

I wish the graduates all success in their personal and professional spheres of life.

(Som Nath)

Prof. Sushil Kumar Tomar

Vice Chancellor

JC Bose University of Science & Technology
YMCA Faridabad (Haryana)

Message

I am glad to learn that BRCM College of Engineering and Technology, Bahal (Bhiwani) is organizing its 10th Convocation on 29th September, 2024.

I would like to extend my heart-felt felicitation to the graduates, parents, teachers, and others concerned on this auspicious occasion. Convocation is not only the achievement of graduates but also achievement of the college on the way to ensure quality higher education at tertiary level.

It is appreciable that BRCM College has been playing an important role towards providing quality education to the students by offering a vibrant learning environment. Also, the academic ambience of the college is backed by enviable education infrastructure and opportunity of perfect placement to its students.

I am sure the students, who have been conferred degrees on 10th Convocation of the College, will make magnificent contributions in further accelerating the pace of development in the State and the Country.

I extend my greetings for the success of the Convocation and bright future to the new graduating students.

I wish the grand success of the convocation.

(Sushil Kumar Tomar)

Prof. Deepti Dharmani

Vice Chancellor

Ch. Bansi Lal University
Bhiwani (Haryana)

Message

I extend my warmest greetings to you and the BRCM College of Engineering & Technology, Bahal on the occasion of the upcoming 10th Convocation. It is indeed a momentous event that marks the culmination of the academic journey of the students, evidencing their hard work, dedication, and accomplishments. May this 10th Convocation be a memorable and inspiring event for everyone involved. Education can never be pursued in isolation of society. Its social relevance implies not only professional settlement or growth, but it must also involve enrichment of life in general. I believe that the graduates, now equipped with the education and skills imparted by BRCM College of Engineering & Technology, will render significant contributions to Viksit Bharat by excelling in their chosen professions. I extend my best wishes to them for their bright future.

Once again, I wish that the entire BRCM College of Engineering & Technology, Bahal continues to get success in their endeavours to shape the future leaders and innovators.

(Deepti Dharmani)

Col. (Dr.) Ranpal Singh

Vice-Chancellor

Chaudhary Ranbir Singh University, Jind

Message

I extend my heartfelt congratulations to the graduating class of the BRCM College of Engineering and Technology on the momentous occasion of 10th Convocation. This milestone not only marks a significant chapter in your academic journey but also signifies the collective efforts and accomplishments of the entire academic community.

To the graduates, today is a day of celebration and reflection. You have demonstrated remarkable perseverance, intellectual curiosity, and a passion for learning. As you step into the next phase of your professional lives, I urge you to carry forward the lessons learned, the friendships forged, and the spirit of inquiry that has been the hallmark of your time at BRCM College of Engineering and Technology. Remember, education is not merely a means to an end but a lifelong journey that empowers you to make meaningful contributions to society.

Congratulations once again to the students, their parents and families, faculty and staff. May your future be filled with success, fulfillment, and boundless opportunities.

Col. (Dr.) Ranpal Singh

Message

Congratulations to all achiever students, faculties and other staff on the auspicious day of the 10th convocation of BRCM College of Engineering & Technology!

This is an engendering a feeling of colossal pleasure and happiness for me as a part of the BRCM College of Engineering & Technology. As an educational institution, BRCM has gone through several development phases and Education at BRCM is collaborative experience. It is the result of the willing and cooperative commitment from students and the College, the faculty and staff for a common purpose i.e. preparing students to be a contributing citizen to the country in the future.

It is a compendium of the people, resources and opportunities that make BRCM an innovative, challenging and exciting place to begin building and shaping a student life for future endeavor. I would like to remind all the graduating students that they must be prepared to face even greater challenges in the future. As they strive together to develop the full potential of their institution for the educational advancement of the country, they will need to harness all their capabilities. I am confident that they will be successful.

Finally, I would like to congratulate again the students for their success and faculties and staff of BRCM on their achievements.

Message

I am pleased to know that BRCM College of Engineering & Technology is holding its 10th Convocation on 29th September, 2024.

Education has become more competitive throughout the world in this twenty first century because of technological advances and globalization.

Higher Education is not just about acquisition of knowledge but also about developing citizens with the right skills and attributes of good citizens. I hope the graduates of BRCM have been prepared in the above fashion and for the challenges of the time.

My heartiest congratulations and best wishes to all graduates, their parents and to BRCM family.

I wish the Convocation a grand success.

Message

I am happy to know that the BRCM College of Engineering & Technology is going to hold its 10th Convocation on 29th September, 2024.

Education enhances quality of life. It is indeed encouraging that BRCM College of Engineering & Technology has been trying to contribute higher education in our country with special emphasis on advancement of digital technology and infrastructure which is very important in the present day to achieve standard, quality and excellence.

On this memorable occasion of the Convocation, I hope graduates will overcome all existing barriers as BRCMCET thrives its best to provide quality education to lead India in the 21st century.

My heartiest congratulations to all graduated students, their parents, the College management and to BRCM family at large.

I wish this convocation a great success.

Message

I am happy to know that BRCM College of Engineering & Technology is holding its 10th convocation on 29th September, 2024. This is indeed a special occasion not only for the graduates, but also for the College.

The graduates have worked hard to reach this important milestone in their lives and certainly deserve to celebrate. In the years ahead, India will need many more talented graduates to lead the country onto a higher growth path for poverty reduction and livelihood improvement. In an era of globalization, this century will be built on knowledge-based industries, requiring strong emphasis on educational quality. Professional skills and innovation are essential to survive in the increasingly competitive world.

I am sure the graduating students have acquainted themselves with the required professional skills and knowledge to confront with global challenges and be able to edge part by bringing innovation in the increasingly competitive world.

I sincerely wish the graduates of BRCM College of Engineering & Technology great success in pursuing their ambitions and goals.

(Anil Chaudhary)

Dr. S. K. Sinha

Message

It gives me great pleasure that BRCM College of Engineering & Technology is holding its 10th Convocation on 29th September, 2024. Convocation of a College is a significant event in the academic life all over the world. It is indeed a memorable occasion for the graduating students, who by their hard work and dedication have earned the degree which will enable them to meet the need of the time. India having a large population needs to transform its manpower into skilled human resources in order to face the challenges of the century. I sincerely hope that these young graduates, equipped with skilled knowledge, will make valuable contribution to the progress of our country.

I am hopeful that BRCM graduates will now concentrate on applying their knowledge and skills generated through hard work and devotion in their respective professional fields in order to advance the cause of their country and the nation.

I congratulate the graduates and wish them a bright and prosperous future. I wish the 10th Convocation of BRCM College of Engineering & Technology all success.

(S. K. Sinha)

Dr. Anuj Kumar Sharma

Principal

BRCM College of Engineering & Technology

Message

It gives me utmost pleasure to see that BRCM College of Engineering & Technology, Bahal is holding its 10th Convocation on 29th September, 2024 to confer degrees to the students of different programs who have completed their academic degree requirements successfully. This is undoubtedly a great accomplishment for the graduating students, their proud parents, faculty and the management of the College.

I do believe that the passing-out graduates of BRCM CET will certainly be able entrepreneurs or find suitable jobs and thus can contribute to the socio-economic development of the country with the knowledge and skills they have gained from this College.

As a matter of fact, this convocation ceremony is not a leave-taking or your destination. Instead, the convocation is a way station on your journey of lifelong learning and be sure your journey brings you back at some point to this place, your own BRCM CET, as continuing students, as teachers, as mentors, as parents, as supporters, as friends.

Finally, I would like to extend warm congratulations to the graduating students and wish them success in realizing their dream career in life.

(Dr. Anuj Kumar Sharma)

“

Programming today is a race between software engineers striving to build bigger and better idiot-proof programs, and the Universe trying to produce bigger and better idiots. So far, the Universe is winning.

- Rick Cook
