# Chairman's Message

## Let me welcome you to our Fold!

I am indeed delighted to extend my Greetings and Best Wishes to all our students, staff and well-wishers through XLIII Edition of “**Samagra Shiksha.**” The students are the future leaders and productive citizens of the world and I would like to stress on our mission statement of grooming young minds and hearts as the pillars of advancement of a nation and hope of the future. Keeping the vision and mission of our institutions, we believe in “**Imagine-Invent-Inspire**” in the making of dynamic individuals in the society.

The prestigious BRCM Group of Institutions, since its inception in 1987, has made remarkable progress by following the mantra of student-centric approach, whether it is in academics or in extra-curricular activities. BRCM is well known for its academic excellence and dedicated approach towards dissemination of knowledge in the academic world. As an established and highly esteemed Group of Institutions, we maintain an utmost academic standard, incorporated with the conduct of discipline, thereby achieving remarkable and excellent achievements in the field of academics, sports and extra-curricular activities. We firmly believe that education is the key to a nation's progress and we always take it as our bounded duty to provide the best academic training with the best academic infrastructure which is required by the students.

We are committed to bringing Social Development through individual competence. Let us join hands together to make our student community competent and confident. Victory will be for those who work with a clear mission to accomplish a great vision. As the chairman of this BRCM Group of Institutions, I always anticipate the full participation and cooperation of the students and their parents to make it possible for us to transform those dreams into reality. This edition of “**Samagra Shiksha**” is going to showcase the academic and other activities which were carried out in last quarter of the academic session in our institutions.

I would like to extend my best wishes to all the students and believe that each student in his/her own way will bring laurels to the institutions and the nation. I appreciate the Editorial Board for putting their best efforts in bringing out this edition.

Good luck and God bless you all.

**H. K. Chaudhary**

# Director's Message

From the Director's Desk, many congratulations to all the faculty members, staff, and the students of BRCM Education Society on the successful completion of yet another academic year. Through the XLIII Edition of "**Samagra Shiksha**", we intend to showcase the achievements of our hardworking family. BRCM Education Society has been the torchbearer of education in this rural area of Bahal for many decades and in this modern era of skill-based multidisciplinary education, we are doing our part in moulding the framework of education according to the current needs of the employment market.

To ensure that our students thrive in the competitive workforce, NEP 2020 is being implemented in the Higher Education Institutions of BRCM Education Society from the academic session 2024-25. NEP 2020 follows a multidisciplinary approach which is the need of the hour for producing highly skilled workers in these changing times; it also gives the students the freedom and the opportunity to hone their skills and refine their individual talents along with completing their basic education. BRCM CET (affiliated to MDU, Rohtak), and G.D.C. Memorial College and BRCM Law College (both affiliated to CBLU, Bhiwani) are implementing NEP 2020 under the guidance of their respective affiliating universities. We hope that this would be our yet another successful endeavour in the field of education and would ensure individual and institutional growth.

In school education, board results of BRCM Gyankunj School have also lived up to the expectations. A number of students from Class X and XII have brought laurels to the institution by scoring above 90% marks. Since the beginning of the new academic session in both the schools, the students have participated in multiple co-curricular, extra-curricular and sports activities, giving a jump-start to the accomplishments of the new academic year. We are looking forward to many more such accomplishments throughout the year.

I also extend my congratulations and best wishes to the Editorial Board for their efforts in the successful release of this edition. Their hard work has paid off.

Best Wishes and Congratulations.

**Dr. S. K. Sinha**

# BRCM COLLEGE OF ENGINEERING & TECHNOLOGY

## WORKSHOPS ORGANIZED

A one-day workshop on “**Solar Photovoltaic Power Plant: Electricity Generation**” was organized by Department of Electrical Engineering on 05.04.2024. The workshop was inaugurated in the presence of Dr. Anuj Kumar Sharma, Principal BRCM CET, Bahal. The speakers for the workshop were Mr. Ashish Yadav, Senior Engineer, GreenCells Energy Company and Mr. Bhoop Sheoran, Department Lead, Samsung C&T. The event was commenced with Introductory Speech by Dr. Vivek Kumar, Head of Department - Electrical Engineering and Mr. Amit Kumar, Head of Department - Mechanical Engineering.

### Outcomes of the Event:

- Description of the Fundamental Concepts of Energy from the Sun and Solar Photo Voltaic (PV) Cell.
- Analysis of the Grid Integration of Solar PV With and Without Battery Storage.
- Comprehension of the Maximum Power Point Tracking (MPPT) Algorithms in Solar PV.
- Detailed discussions about Industrial Applications of Solar PV.

- A Workshop was organized on “**Future of Engineering: Trends and Opportunities**” focusing on the current and upcoming technology in the IT sector by Solitaire Infosys Pvt. Ltd. at BRCM College of Engineering & Technology, Bahal, Bhiwani on 11.04.2024. In this Workshop, Mr. Gagandeep Sawhney, CEO at Solitaire Infosys, along with Mr. Anmoldeep Singh, Software Developer, Ms. Esha, Digital Expert, and Ms. Bhawna, Cyber Security Engineer, were present from Solitaire Infosys. Dr. Dinesh Kumar, Head of Department - Computer Science & Engineering, and Mr. Ekansh Sharma, Assistant T&P, were also present. The speaker conducted interactive discussions with students. At the end of the workshop, a scholarship test was organized by the Solitaire Infosys team for a summer internship as well. Students participated in the workshop with great enthusiasm.

### TRAINING & PLACEMENT ACTIVITIES

- At **Knowledge Excel**, 11 students applied for the position of Trainee Survey Programmer with a salary package of 3.10 LPA. Three of these candidates were selected for the second round.
- At **Virtual Engineering Services Pvt. Ltd.**, 26 students applied for the position of Software Engineer with a salary package of 5-6 LPA. Five of the candidates were selected for the final round.
- College T&P Cell shared a form with students to apply for a 4 to 6 week summer internship. The placement cell is actively working towards providing internship opportunities for students. A total of 29 applications have been received so far.
- At **Quality Austria Central Asia**, 3 students applied for the position of Inspection Engineer with a salary package of 2.12 LPA. Mr. Sourabh was selected for the same.

### Industrial Visit

- An Industrial Visit to **Solitaire Infosystems Pvt. Ltd.**, Mohali was organized for the students on 13.04.2024. Dr. Anuj Kumar Sharma, Principal, BRCM CET mentioned the importance of Engineering students having a first-hand industrial experience to understand the real-life applications of their academic knowledge. These visits help the students develop their insights and attain practical knowledge. Faculty coordinators, Sh. Surender Singh, Assistant Professor in Computer Science & Engineering and Ms. Suruchi, Assistant Professor in Computer Science & Engineering accompanied the students to supervise the entire visit.

- B. Tech. Odd Semester Results of Dec./Jan., 2024 examinations were declared by MDU, Rohtak. Eighteen Students from BRCM CET secured their place in the top 10 university positions of the MDU Merit List. Details are as mentioned below:

# A TRIP TO Manali, Shandigarh and Rohtang Pass

The college organized a multidisciplinary three-days Excursion to Chandigarh, Manali, and Rohtang Pass for the students of all branches of BRCM CET from 13.04.2024 to 15.04.2024 under the supervision of Ms. Suruchi, Assistant Professor in Computer Science & Engineering, Mr. Surender Singh, Assistant Professor in Computer Science & Engineering, and Mr. Kuldeep, Assistant Professor in Electrical Engineering. A group of 28 students accompanied by the three aforementioned supervisors left for the Excursion from the BRCM Vidygram Campus on 13.04.2024 at 5 in the morning with the blessings and best wishes of the college Principal Dr. Anuj Kumar Sharma. The group reached Mohali in the afternoon and went through the planned Industrial Visit at Solitaire Infosystems Pvt. Ltd., Mohali; after a riveting session on the practical applications of the theoretical concepts the students studied in their classes, the group left for Chandigarh to experience “**The City Beautiful.**” The visits to tourist places in Chandigarh included Rock Garden and Sukhna Lake; while the students got the opportunity to admire the creativity of Nek Chand at the Rock Garden, they soaked in the glorious sunset at Sukhna Lake. After spending the evening at these awe-inspiring tourist destinations, the group had dinner together which was a bonding experience as well. The group left Chandigarh after dinner and reached Manali early in the morning the next day. The second day of the excursion was spent visiting popular tourist spots in Manali including a spiritually awakening visit to the renowned Hidimba Devi Temple. The group also visited Old Manali known for its wooden mountain trails, apple orchards, and scenic spots by the Manaslu River; a shopping experience at Mall Road-Manali was also a significant part of the tour experience for the group. After the dinner on the second day, a DJ Night at the Hotel Stay was also organized for the students to dance their fatigue away. The group left for Rohtang Pass the third day early in the morning and stopped at Solang Valley on the way to enjoy the picturesque views along with a Ropeway activity. After reaching Rohtang Pass, the group partook in multiple adventure activities including Rock Climbing, Rapling, Bungee Jumping and Skiing. After an adventure-filled day, the group enjoyed their dinner and left for home. The group arrived at the BRCM Vidyagram Campus the next day in the morning and were welcomed by the college for a safe journey home.

## College Achievements

- **Observe Now Media** organized the **6<sup>th</sup> Education Leaders Conclave & Awards 2024** on 25.04.2024 & 26.04.2024 at Chandigarh. BRCM College of Engineering & Technology received Excellence in Higher Education Award in the event.

## Educational Trip to Amritsar

A one-day Educational Trip to Amritsar was organized by the Commerce Department on 30.03.2024. A group of 16 students accompanied by two faculty members, i.e., Mr. Ravi Parmar and Ms. Manpreet Beniwal, started on their trip from BRCM Vidyagram Campus on 29.03.2024 in the evening and reached Amritsar the next morning. The trip included visits to the Golden Temple, Attari Border, Jallianwala Bagh, and popular markets of the city. The afternoon included a visit to **OCM Pvt. Ltd.**, a 100-year-old company, where the students learned about the history of the company. The students also got to experience Langar at the Golden Temple kitchen. The trip concluded with the group coming back to the campus the next morning.

## 494<sup>th</sup> National Adventure Programme at Pachmarhi, Madhya Pradesh

A group of 17 students from the Department of Physical Education, accompanied by two faculty members, i.e., Mr. Madan Mohan Yadav and Ms. Kirti Malik, attended the 494<sup>th</sup> National Adventure Programme organized by The Bharat Scouts and Guides National Adventure Institute at Pachmarhi, Madhya Pradesh from 04.04.2024 to 10.04.2024. The camp consisted of adventure activities including Obstacle Courses, Trekking, Rock Climbing, Rapling, Archery, Rifle Shooting, Boating, etc. The treks included visits to Jatashankar Temple, Bee Fall, Reechgarh, Chauragarh Temple, and Pandav Caves. The evenings consisted of camp fire and cultural activities. All the activities of the camp helped the students hone their leadership skills, team spirit, sportsmanship, and also learn about various cultures across the nation by living with participants from various states including Madhya Pradesh, Assam, Rajasthan, Uttarakhand, and Maharashtra, etc.

## Geographic Excursion to Udaipur and Chittorgarh

A four-days Geographic Excursion to Udaipur and Chittorgarh was organized by the Geography Department from 11.04.2024 to 15.04.2024. A group of students from the department accompanied by three faculty members, i.e., Mr. Himanshu Grover, Mr. Sachin, and Dr. Anita, participated in the expedition. The trip included interactive sessions over the geographical principles of hydrological processes and ecosystem dynamics at the Fateh Sagar Lake, the impact of human intervention over the physical landscape at the historic garden of Saheliyon ki Bari with Mughal-era architecture, geological surveys at the rugged terrain of the Aravali Ranges, discussions over the complexities of urban geography at Moti Magri and City palace, and socio-economic and physical landscape surveys at the hinterlands near Chittorgarh. The analyses of the surveys were done through geographic methodologies like mapping exercises and spatial analysis, which helped the students assess the village's environmental sustainability and identify areas for intervention to address the socio-environmental issues. The expedition helped the department students learn the real-world applications of their theoretical knowledge.

## Election Awareness Workshop

An Election Awareness Workshop was organized by the Electoral Literacy Club and NSS Unit under the SVEEP programme of the Indian Election Commission on 13.04.2024. The chief guest, Dr. Sunil Kumar Shukla, Principal, BRCM Law College, enlightened the students on the importance of voting in the formation of a democracy.

## Research Activity

### FDP Completed/Workshop Attended

- **Mr. Upender Prasad**, Assistant professor of Psychology, GDC Memorial College, Bahal attended a one-week online FDP on “**Research Methods in Social Sciences**” organized by Sharda School of Humanities and Social Sciences, Sharda University, Greater Noida-India from 20.05.2024 to 28.05.2024.
