Chairman's Message

Let me welcome you to our Fold!

It gives me immense pleasure to welcome you to our fold on the occasion of the 50th edition of Samagra Shiksha, our Quarterly Magazine.

This golden milestone is not merely a number; it reflects a remarkable journey of continuity, creativity and commitment to excellence. Samagra Shiksha has, over the years, evolved into a vibrant platform that mirrors the intellectual vitality, creative expression and achievements of our academic community. Each edition captures the spirit with which BRCM Education Society moves forward—rooted in values, driven by excellence and inspired by innovation. This landmark edition stands as a celebration of collective effort, resilience and progress.

Education today extends far beyond the acquisition of knowledge. It is about shaping character, fostering adaptability and instilling a deep sense of responsibility towards society. At BRCM, we remain steadfast in our commitment to holistic and value-based education that empowers learners to think critically, act ethically and contribute meaningfully to the nation and the world. Our aim is to nurture individuals who are not only competent but also compassionate and confident in facing the challenges of a rapidly evolving global landscape.

The achievements reflected across the pages of this edition academic excellence, co-curricular accomplishments, creative pursuits and social initiatives are a testament to the dedication of our students and the unwavering commitment of our faculty and staff. I commend every member of the BRCM fraternity for their perseverance, discipline and passion, which continue to enhance the stature of our institutions.

Reaching this 50th edition is also a tribute to the sustained efforts of our editorial teams over the years. I place on record my sincere appreciation for the Editorial Board of Samagra Shiksha for their thoughtful curation and diligent work, ensuring that the voice, vision and values of BRCM reach every reader with clarity and purpose.

As we celebrate this significant milestone, I encourage our young minds to continue expressing themselves with originality and confidence. May this magazine remain a beacon of thought, creativity and inspiration for generations to come.

Warm regards,

Chairman

BRCM Education Society

Celebration of Lohri and Makar Sankranti

Lohri and Makar Sankranti festivals were celebrated on 13th January 2026 in the Vidyagram premises jointly with all institutions running under the umbrella of BRCM Education Society with great zest and joy. Special function was also organized in the evening. Students performed Bhangra around bonfire and also performed different cultural songs & dances. Dr. S. K. Sinha, Director, BRCMES addressed the students about the significance of the festival. Peanuts and Rewari were distributed to all.

77th Republic Day Celebration

The 77th Republic Day was celebrated by the various institutes of BRCM Education Society, Bahal in the BRCM Vidyagram Campus on 26th January 2026. The programme commenced with Flag Hoisting Ceremony by the Chief Guest Dr. S. K. Sinha, Director, BRCM Education Society, who gave his best wishes on the occasion and enlightened the audience.

Opening Ceremony of 12th Chhogmal Chaudhary Gramin Khel Mahotsav

The 12th Chhogmal Chaudhary Gramin Khel Mahotsav, organized by the BRCM Sports Society, was inaugurated with great enthusiasm at the Rajiv Gandhi Khel Parisar Bahal. The event began with an impressive march past and cultural performances by the NCC, Scouts, and NSS units of BRCM institutions. Shri Jai Prakash Dalal, former Haryana Cabinet Minister attended the ceremony as the chief guest. In his address, he emphasized the importance of providing proper platforms for rural talents. Stating that sports help youth develop discipline, fitness and opportunities for national recognition. Renowned Kabaddi player Shri Ashan Kumar Sangwan and Jagdish Singh, Draunacharya and Arjun Awardee also attended the event. They highlighted that rural areas possess immense sporting talent, which can flourish with proper guidance and exposure. Welcoming the guests and participants, Dr. S.K. Sinha, Director of the BRCM Education Society, reaffirmed the Society's commitment to the overall development of rural youth through education and sports. The two day sports festival features competitions in athletics, Kabaddi men and women, Volleyball Smashing men and women and Tug of War men. Special events included a 100 meter Old Age Race for above 60 category where Jogender Singh secured first place, followed by Maha Singh and Dariya Singh. A 100 meter Sarpanch Race was also held with Sandeep, Sarpanch, Chaher Khurd finishing first, Somveer, Sorda second and Sanjay, Matani third. The first day witnessed preliminary and semi final rounds of track and field events, along with exciting Kabaddi and Volleyball matches, which greatly entertained the spectators. Several distinguished personalities, sports officials and rural sports enthusiasts were present to encourage the athletes and celebrate rural sporting talent.

Closing Ceremony of 12th Chhogmal Chaudhary Gramin Khel Mahotsav

The 12th Chhogmal Chaudhary Gramin Khel Mahotsav organized by the BRCM Education Society concluded with a prize distribution ceremony at the Rajiv Gandhi Rural Sports Complex, Bahal. Former Cabinet Minister Jai Prakash Dalal attended the closing ceremony as the chief guest, while the program was presided over by Dr. S. K. Sinha, Director, BRCM ES. Addressing the gathering, Shri Jai Prakash Dalal said that rural youths possess immense sports talent and appreciated BRCM ES for providing a strong platform for rural players. Dr. S. K. Sinha stated that the organization aims to promote rural talent and provide opportunities for athletes to reach national levels through such events. The final day witnessed exciting matches in athletics, kabaddi, volleyball and tug-of-war, drawing great enthusiasm from spectators. In athletics in 100m (men) Kuldeep Jakhar stood first, in 400m (Women) Tanuja got first position in volleyball (men) Bahal and in women Chahar Kalan were winners. In Kabaddi men and women Sachin Sports Bahal and Rohilla Bhiwani were winners respectively. Winners and runners-up were awarded medals, certificates and cash prizes. Several dignitaries, including district officials, local representatives and principals of BRCM institutions, staff members, students and sports enthusiasts were present at the event.

Holi at Vidyagram Campus

Holi was celebrated with both dry and wet colors on 4th March 2026 in the lawn in front of Swasti Sadan Guest House at Vidyagram Campus, Bahal. Heads of various institutions managed by BRCM Education Society, along with staff members and their families, participated in the celebration and enjoyed the vibrant festival of Holi.

COLLEGE OF ENGINEERING & TECHNOLOGY

PRIDE MOMENTS

“Always remember that you are absolutely unique. Just like everyone else.” – Margaret Mead.

RESEARCH ACTIVITIES

“The real scientist is ready to bear privation and, if need be, starvation rather than let anyone dictate to him which direction his work must take.”- Albert Szent-Gyorgyi.

PAPER PUBLISHED

- ❖ Dr. Vivek Kumar, Professor in Electrical Engineering Department, published a research paper entitled “**Machine Learning Techniques for Lung Image Enhancement and Detection**” in IEEE Explore sponsor paper in 7th international Symposium on Advanced Electrical and Communication Technologies (ISAECT) at Mohali on 18-20 December 2025 DOI 10.1109/ISAECT68904.2025.11318758.
- ❖ Mr. Amit Ranjan, Assistant Professor in Computer Science & Engineering Department, published a research paper entitled “**Machine Learning Techniques for Lung Image Enhancement and Detection**” in IEEE Explore sponsor paper in 7th international Symposium on Advanced Electrical and Communication Technologies (ISAECT) at Mohali on 18-20 December 2025 DOI 10.1109/ISAECT68904.2025.11318758.
- ❖ Mr. Amit Ranjan, Assistant Professor in Computer Science & Engineering Department, published a research paper entitled “**Design and simulation of a Compact U-Shaped 4-Element MIMO Antenna for secure Wi-Fi Application**” in the journal of Nano and Electronic

Physics, Vol. 17, No. 6, 06021(2025). DOI: 10.21272/jnep.17(6).06021.

- ❖ Ms. Jyoti, Assistant Professor in Computer Science & Engineering Department, presented a research paper entitled “**Evaluating the Generalization Ability of an Ensemble-Based Fake News Detection Model Across Multiple Domains**” in ICASS-2026, International conference IEEE Xplore (Scopus indexed) held on Feb 12-13, 2026 at Manav Rachna University, New Delhi.

WORKSHOP / WEBINAR /STC/ EXPERT LECTURE ATTENDED:

- ❖ Dr. Jitendra Gaur, Associate Professor in Physics, participated and secured A+ Grade in online Short Term Programme on “**MOOC Development**” organized by the UGC-Malaviya Mission Teacher Training Center (MMTTC) of Central University of Haryana, Mahendergarh (India), from 05th January 2026 to 10th January, 2026.
- ❖ Dr. Manisha Kumari, Assistant Professor in Physics, attended a National Seminar on “**Empowering Researchers,**

Scholars, and Faculty with Advanced Research Solutions” organized by MatSense (OPC) Private Limited on 4th January, 2026.

- ❖ Dr. Vivek Kumar, Professor in Electrical Engineering Department, attended Faculty Development Program on **“Advance Computing”** sponsored by AICTE Training and Learning Academy (ATAL) which was held at MDU Rohtak from 19.01.2026 to 24.01.2026.
- ❖ Mr. Rajnish, Assistant Professor in Electrical Engineering Department, attended Faculty Development Program on **“Advance Computing”** sponsored by AICTE Training and Learning Academy (ATAL) which was held at MDU Rohtak from 19.01.2026 to 24.01.2026.
- ❖ Mr. Kuldeep Sharma, Assistant Professor in Electrical Engineering Department, attended Faculty Development Program on **“Advance Computing”** sponsored by AICTE Training and Learning Academy (ATAL) which was held at MDU Rohtak from 19.01.2026 to 24.01.2026.
- ❖ Mr. Navneet Bulla, Assistant Professor in Mechanical Engineering Department, successfully completed the Program Portal for **“AI Upskilling Certificate: Technical Foundations”** conducted by Qualcomm Academy on 27th January 2026.
- ❖ Mr. Rakesh, Assistant Professor in Civil Engineering Department, successfully completed the Program Portal for **“AI Upskilling Certificate: Technical Foundations”** conducted by Qualcomm Academy on 27th January 2026.
- ❖ Dr. Anju Sharma, Assistant Professor in Mathematics, successfully completed 5-days Online FDP on **“Inculcating Universal Human Values in Technical Education”** organized by AICTE from 26.01.2026 to 30.01.2026.
- ❖ Dr. Manisha Kumari, Assistant Professor in Physics, attended an Industry–Academia Faculty Development Program on **“Advanced Functional Materials and Smart Sensor Technologies: From Fundamental Research to Industry Transla”** organized by Center for Research and Innovation from 27.01.2026 to 31.01.2026.
- ❖ Dr. Manisha Kumari, Assistant Professor in Physics, attended an International Workshop on **“Modern Approaches to Nanomaterial Synthesis”** organized by Center for Research and Innovation on 15.02.2026.
- ❖ Mr. Amit Ranjan, Assistant Professor in Computer Science & Engineering Department, participated in Faculty Development Programme on **“Quality Enhancement through Outcome Based Curriculum Implementation”** organized by Curriculum Development Centre Department, NITTTR, Chandigarh, Ministry of Education, Government of India (Remote Center BRCM CET, Bahal) from 16/02/2026 to 20/02/2026.
- ❖ Mr. Shivpal Singh, Assistant Professor in Computer Science & Engineering Department, participated in Faculty Development Programme on **“Quality**

Enhancement through Outcome Based Curriculum Implementation

organized by Curriculum Development Centre Department, NITTTR, Chandigarh, Ministry of Education, Government of India (Remote Center BRCM CET, Bahal) from 16/02/2026 to 20/02/2026.

- ❖ Ms. Deepika, Assistant Professor in Computer Science & Engineering Department, participated in Faculty Development Programme on **“Quality Enhancement through Outcome Based Curriculum Implementation”** organized by Curriculum Development Centre Department, NITTTR, Chandigarh, Ministry of Education, Government of India (Remote Center BRCM CET, Bahal) from 16/02/2026 to 20/02/2026.
- ❖ Mr. Vikash, Assistant Professor in Computer Science & Engineering Department, participated in Faculty Development Programme on **“Impact and Influence of AI in the age of Generative and Agentic AI”** organized by the Department of Computer Science, Sister Nivedita University, Kolkata, West Bengal from 02/02/2026 to 06/02/2026.
- ❖ Ms. Monika, Teaching Assistant in Computer Science & Engineering Department, participated in Faculty Development Programme on **“Impact and Influence of AI in the age of Generative and Agentic AI”** organized by the Department of Computer Science, Sister Nivedita University, Kolkata, West Bengal from 02/02/2026 to 06/02/2026.
- ❖ Mr. Amit Ranjan, Assistant Professor in Computer Science & Engineering Department, completed an online course on **“Practical Quantum Computing with IBM Qiskit for Beginners”** authorized by Packt and offered through Coursera on 17th February, 2026.
- ❖ Mr. Rajnish, Assistant Professor in Electrical Engineering Department, participated in AICTE Training and Learning (ATAL) Academy Faculty Development Programme on **“Modeling and Simulation of Composite Materials : Fabrication, Characterization and Applications”** at ELITTE College of Engineering from 09/02/2026 to 14/02/2026.
- ❖ Mr. Ravinder Singh, Assistant Professor in Electrical Engineering Department, participated in AICTE Training and Learning (ATAL) Academy Faculty Development Programme on **“Modeling and Simulation of Composite Materials : Fabrication, Characterization and Applications”** at ELITTE College of Engineering from 09/02/2026 to 14/02/2026.
- ❖ Mr. Kuldeep Sharma, Assistant Professor in Electrical Engineering Department, participated in AICTE Training and Learning (ATAL) Academy Faculty Development Programme on **“Modeling and Simulation of Composite Materials : Fabrication, Characterization and Applications”** at ELITTE College of Engineering from 09/02/2026 to 14/02/2026.

- ❖ Mr. Rajnish, Assistant Professor in Electrical Engineering Department, participated in Faculty Development Programme on **“Quality Enhancement through Outcome Based Curriculum Implementation”** organized by Curriculum Development Centre Department, NITTTR, Chandigarh, Ministry of Education, Government of India (Remote Center BRCM CET, Bahal) from 16/02/2026 to 20/02/2026.
- ❖ Mr. Ravinder Singh, Assistant Professor in Electrical Engineering Department, participated in Faculty Development Programme on **“Quality Enhancement through Outcome Based Curriculum Implementation”** organized by Curriculum Development Centre Department, NITTTR, Chandigarh, Ministry of Education, Government of India (Remote Center BRCM CET, Bahal) from 16/02/2026 to 20/02/2026.
- ❖ Mr. Kuldeep Sharma, Assistant Professor in Electrical Engineering Department, participated in Faculty Development Programme on **“Quality Enhancement through Outcome Based Curriculum Implementation”** organized by Curriculum Development Centre Department, NITTTR, Chandigarh, Ministry of Education, Government of India (Remote Center BRCM CET, Bahal) from 16/02/2026 to 20/02/2026.
- ❖ Dr. Manisha Kumari, Assistant Professor in Physics, participated in Faculty Development Programme on **“Quality Enhancement through Outcome Based Curriculum Implementation”** organized by Curriculum Development Centre Department, NITTTR, Chandigarh, Ministry of Education, Government of India (Remote Center BRCM CET, Bahal) from 16/02/2026 to 20/02/2026.
- ❖ Ms. Anita Dalal, Assistant Professor in EVS, participated in Faculty Development Programme on **“Quality Enhancement through Outcome Based Curriculum Implementation”** organized by Curriculum Development Centre Department, NITTTR, Chandigarh, Ministry of Education, Government of India (Remote Center BRCM CET, Bahal) from 16/02/2026 to 20/02/2026.
- ❖ Mr. Suresh Kumar, Assistant Professor in Mechanical Engineering Department, participated in Faculty Development Programme on **“Quality Enhancement through Outcome Based Curriculum Implementation”** organized by Curriculum Development Centre Department, NITTTR, Chandigarh, Ministry of Education, Government of India (Remote Center BRCM CET, Bahal) from 16/02/2026 to 20/02/2026.
- ❖ Mr. Rakesh Kumar, Assistant Professor in Civil Engineering Department, participated in Faculty Development Programme on **“Quality Enhancement through Outcome Based Curriculum Implementation”** organized by Curriculum Development Centre Department, NITTTR, Chandigarh, Ministry of Education, Government of India (Remote Center BRCM CET, Bahal) from 16/02/2026 to 20/02/2026.

Ministry of Education, Government of India (Remote Center BRCM CET, Bahal) from 16/02/2026 to 20/02/2026.

- ❖ Mr. Amit Ranjan, Assistant Professor in Computer Science & Engineering Department, participated in Faculty Development Programme on **“Strategies for Effective Curriculum Implementation and Evaluation”** organized by Curriculum Development Centre Department, NITTTR, Chandigarh, Ministry of Education, Government of India (Remote Center BRCM CET, Bahal) from 16/03/2026 to 20/03/2026.
- ❖ Mr. Vikash, Assistant Professor in Computer Science & Engineering Department, attended five days Faculty Development Programme on **“Generative and Agentic AI – Tools & Demo's”** organized by the Department of Computer Science Engineering, Sardar Vallabhbhai National Institute Of Technology (SVNIT), Surat, Gujrat from 16/03/2026 to 20/03/2026.
- ❖ Mr. Vikash, Assistant Professor in Computer Science & Engineering Department, attended five days Faculty Development Programme on **“R for Research Excellence: Statistical Analysis, Visualization and Publication”** organized by the Department of Computer Science Engineering, Sardar Vallabhbhai National Institute Of Technology (SVNIT), Surat, Gujrat from 23/03/2026 to 27/03/2026.
- ❖ Mr. Shivpal Singh, Assistant Professor in Computer Science & Engineering Department, attended five days Faculty Development Programme on **“Generative and Agentic AI – Tools & Demo's”** organized by the Department of Computer Science Engineering, Sardar Vallabhbhai National Institute Of Technology (SVNIT), Surat, Gujrat from 16/03/2026 to 20/03/2026.
- ❖ Mr. Shivpal Singh, Assistant Professor in Computer Science & Engineering Department, attended five days Faculty Development Programme on **“R for Research Excellence: Statistical Analysis, Visualization and Publication”** organized by the Department of Computer Science Engineering, Sardar Vallabhbhai National Institute Of Technology (SVNIT), Surat, Gujrat from 23/03/2026 to 27/03/2026.
- ❖ Dr. Vivek Kumar, Professor in Electrical Engineering Department, participated in Faculty Development Programme on **“Strategies for Effective Curriculum Implementation and Evaluation”** organized by Curriculum Development Centre Department, NITTTR, Chandigarh, Ministry of Education, Government of India (Remote Center BRCM CET, Bahal) from 16/03/2026 to 20/03/2026.
- ❖ Mr. Rajnish, Assistant Professor in Electrical Engineering Department, participated in Faculty Development Programme on **“Strategies for Effective Curriculum Implementation And**

Evaluation” organized by Curriculum Development Centre Department, NITTTR, Chandigarh, Ministry of Education, Government of India (Remote Center BRCM CET, Bahal) from 16/03/2026 to 20/03/2026.

❖ Mr. Ravinder Singh, Assistant Professor in Electrical Engineering Department, participated in Faculty Development Programme on **“Strategies for Effective Curriculum Implementation And Evaluation”** organized by Curriculum Development Centre Department, NITTTR, Chandigarh, Ministry of Education, Government of India (Remote Center BRCM CET, Bahal) from 16/03/2026 to 20/03/2026.

❖ Mr. Kuldeep Sharma, Assistant Professor in Electrical Engineering Department, participated in Faculty Development Programme on **“Strategies for Effective Curriculum Implementation And Evaluation”** organized by Curriculum Development Centre Department, NITTTR, Chandigarh, Ministry of Education, Government of India (Remote Center BRCM CET, Bahal) from 16/03/2026 to 20/03/2026.

❖ Mr. Suresh Kumar, Assistant Professor in Mechanical Engineering Department, attended the International Conference on **“Advanced Textile Structural Composites and Geosynthetics (ATSCG-2026)”** organized by TITS, Bhiwani from 28/02/2026 to 01/03/2026. During the conference, he presented a research poster titled **“A Multi-Scale**

Analytical Framework for Fatigue Life Prediction of Fibre Reinforced Polymer Laminates”.

❖ Mr. Navneet Bulla, Assistant Professor in Mechanical Engineering Department, attended the International Conference on **“Advanced Textile Structural Composites and Geosynthetics (ATSCG-2026)”** organized by TITS, Bhiwani from 28/02/2026 to 01/03/2026. During the conference, he presented a research poster titled **“A Multi-Scale Analytical Framework for Fatigue Life Prediction of Fibre Reinforced Polymer Laminates”**.

❖ Mr. Rakesh Kumar, Assistant Professor in Civil Engineering Department, participated in Faculty Development Programme on **“Strategies for Effective Curriculum Implementation and Evaluation”** organized by Curriculum Development Centre Department, NITTTR, Chandigarh, Ministry of Education, Government of India (Remote Center BRCM CET, Bahal) from 16/03/2026 to 20/03/2026.

❖ Mr. Siddhant, Assistant Professor in Civil Engineering Department, participated in Faculty Development Programme on **“Strategies for Effective Curriculum Implementation And Evaluation”** organized by Curriculum Development Centre Department, NITTTR, Chandigarh, Ministry of Education, Government of India (Remote Center BRCM CET, Bahal) from 16/03/2026 to 20/03/2026.

WORKSHOP / EXPERT LECTURE ORGANIZED

❖Electrical Engineering Department organized a five days online Faculty Development Programme on “**Quality Enhancement through Outcome Based Curriculum Implementation**” from 16/02/2026 to 20/02/2026 by National Institute of Technical Teachers' Training and Research (NITTTR), Chandigarh.

प्रमाणित प्रमाण पत्र

यह प्रमाण पत्र RAJNEER की दूरस्थ केन्द्र “BRCM CET” के कार्यक्रमों में भाग लेने वाले श्री/श्रीमती को प्रमाणित करता है कि उन्होंने 16/02/2025 से 20/02/2025 तक आयोजित “Quality Enhancement through Outcome Based Curriculum Implementation” पर एक सप्ताह के सत्र में भाग लिया और सत्र के दौरान सहायक प्रमुख और सत्र के अध्यक्ष के निदेशों का पालन किया।

इस प्रमाणित प्रमाण पत्र को सहायक प्रमुख की दिशा में अपने ईमेल पर भेजा जाना चाहिए।

यह प्रमाणित प्रमाण पत्र के लिए शुभकामनाएं हैं।

Pragya Singh

❖**National Women's Day Expert Lecture:** In honor of National Women's Day, a virtual expert lecture was delivered by **Ms. Pragya Singh, Infosys**.

1. **Topic:** "Cyber Security & Digital Safety".
2. **Scope:** The session addressed the critical need for digital hygiene, protecting personal data in the professional world and career opportunities for women in the cyber security domain.

❖Mr. Vijay Narayan, Founder – Vidya Sopan and former Principal Software Engineering Manager at Microsoft, visited the campus and delivered an expert session. With over 25 years of industry experience, he provided In-depth insights into Artificial Intelligence, emerging trends in the AI ecosystem. He also demonstrated a structured roadmap for students preparing for AI-driven careers and provided guidance on skills, tools and industry expectations. The session greatly benefited students from B.Tech (CSE & EE) and B.Sc (Computer Science). Faculty members also actively participated, making the session academically enriching and industry-relevant.

- ❖ Electrical Engineering Department organized a five days online Faculty Development Programme on “**Strategies for effective Curriculum implementation**” from 16/03/2026 to 20/03/2026 by National Institute of Technical Teachers' Training and Research (NITTTR), Chandigarh.

TO WHOM IT MAY CONCERN

This is to certify that Dr. Rajnish Mittar, BRCM College of Engineering and Technology, Bhiwani, Haryana worked as a Local Coordinator for the Faculty Development Programme held at BRCM College of Engineering and Technology, Bhiwani, Haryana (Sodal/Remote Centre), during the National Level Online Short-Term Course (ICT - 115) titled as 'Strategies for Curriculum Implementation and Evaluation' from 16-20 March, 2026. The programme received an overwhelming response and it was well-received and appreciated by the participants. We are happy with the feedback from the participants from across India, who have mentioned that they have deeply benefitted from the course and will apply its teachings in their professional and personal lives.

We like to acknowledge the excellent support and services rendered by Dr. Rajnish Mittar, during the above FDP.

(Parmod Kumar Singla)
Coordinator of Programme
Associate Professor
Curriculum Development Centre

TRAINING & PLACEMENT ACTIVITIES

- ❖ **Campus Recruitment Success Stories:**

We organized several on-campus and pool-campus drives, providing excellent placement opportunities to our students across disciplines. Pool Campus Drive of **ASTI India Pvt. Ltd.** was conducted on 23rd January, 2026. Ms. Ankita and Mr. Jatin got final selection.

- ❖ Campus Drive of **Black Apple Technologies** was conducted virtually on 12 Jan, 2026. Ms. Ankita, Mr. Manas, Mr. Ankesh, Mr. Mirza Altamash Baig & Mr. Vishnu got final selection.

- ❖ Campus Drive of CORIZO Edutech was conducted on 10th January, 2026. Mr. Manas, Mr. Nihal and Mr. Deepanshu got final selection.

- ❖ Campus Drive of TVS Lucas was conducted on 3rd Jan, 2026. Ms. Ritu Kumari got final selection

- ❖ Campus Drive of **Soft-fairy Consulting** was conducted on 13th January, 2026. **Mr. Rishav & Mr. Vishnu** got final selection.

- ❖ **Campus Drive of Solariao Tech.** (Formerly Sachtech Solution Pvt. Ltd.) was conducted on 16th January, 2026. Ms. **Shabnam** & **Mr. Kartik** got final selection.

- ❖ **Industry Collaboration & Skill Development:** In addition to placements, we had a fruitful interaction with the **GeeksforGeeks** team to explore strategic collaboration for enhancing student employability and faculty development.

1. **Comprehensive Training Programs.**
2. **Company-Specific Mock Tests & Placement Series.**
3. **Faculty Development Programs (FDPs).**
4. **Campus Readiness & Assessment Platform.**

- ❖ **Looking Ahead:** January 2026 reflects our continuous commitment to bridging the gap between academics and industry. We look forward to more collaborations, recruitment opportunities and skill-based initiatives in the coming months.

- ❖ **National Security & Research: Expert Session by DRDO:** The month kicked off with a prestigious session by **Dr. Amitanshu Patnaik, Sr. Scientist, DRDO.**

- ❖ **Target Audience:** Students of BRCM College of Engineering & GDC Memorial College.

- ❖ **Key Takeaways:** Dr. Patnaik provided deep insights into the latest advancements in defense technology, research opportunities for engineering students within the DRDO and the importance of indigenous innovation in national security.

❖ **Corporate Career Guidance: Myntra Webinar (Feb 26th):** A high-profile career guidance webinar was conducted by **Mr. Niket Gupta, Head of Talent Acquisition at Myntra.**

❖ **Insights Shared:** Students gained a first-hand understanding of Myntra's hiring process, the "E-commerce mindset" and the professional work culture at a top-tier tech firm.

❖ **Student Benefits:** Direct guidance on career growth trajectories

❖ **Post-session assessments leading to Myntra Certification**

❖ **Selection of top performers for Mock Interview sessions with the Myntra recruitment team**

❖ **Employability Skills: Barclays Life Skills Program (Feb 23rd –24th):** A 2-day intensive workshop powered by **Barclays & GTT Foundation** was organized for B.Tech final and pre-final year students.

❖ **Trainer:** Mr. Shikhar Prajapati

❖ **Impact:** The session blended indoor classroom modules (SWOT, Corporate Jargons, PI/GD) with outdoor team-building activities, significantly boosting students' confidence and placement readiness.

❖ **Corporate Career Guidance: Myntra Webinar (Feb 26th):** A high-profile career guidance webinar was conducted by **Mr. Niket Gupta, Head of Talent Acquisition at Myntra.**

❖ **Insights Shared:** Students gained a first-hand understanding of Myntra's hiring process, the "E-commerce mindset" and the professional work culture at a top-tier tech firm.

❖ **Student Benefits:** Direct guidance on career growth trajectories

❖ **Post-session assessments leading to Myntra Certification**

❖ **Selection of top performers for Mock Interview sessions with the Myntra recruitment team.**

❖ A virtual meeting was conducted on 9 March 2026 with the team of Languify.ai, an AI-powered interview preparation platform. Mr. Aayush Priyank presented the platform features. During the discussion, the institutional context was

shared, highlighting the rural campus location on the Haryana–Rajasthan border and the presence of Engineering, B.Sc., B.Com. and Law programs.

- ❖ Mr. Rohit Sharma (Batch 2000–04, Electronics & Communication), currently based in the USA, visited the campus on 19 March 2026 along with his younger brother. He was warmly welcomed by Dr. Anuj Kumar Sharma, Principal & Mr. Vikas Sharma, Head – Training & Placement and Alumni Engagements. He interacted extensively with students and faculty members, motivating them to adopt a proactive career approach. During the campus tour, he visited major institutional facilities and later met Dr. S. K. Sinha, Director, BRCM Education Society. Where they discussed on developing students' interest across interdisciplinary domains, building versatile skill profiles and strengthening academic–industry alignment. Mr. Sharma fondly recalled his college days and traditional learning methods through books and newspapers, contrasting them with today's advanced technological ecosystem. The Director also briefed him on newly introduced programs and institutional expansion in recent years.

- ❖ An Aptitude Assessment Test was conducted on 25 March 2026 for B.Tech 6th Semester (Pre-Final Year) students to evaluate their placement readiness. **Total 60 Questions, based on Quantitative Aptitude, Verbal Ability and Logical Reasoning & Data Interpretation**, were asked. The assessment aimed to benchmark students' preparedness and to identify their focus areas for targeted training.

- ❖ The college organized virtual campus drive of *Elevate Kids, USA*. Mr. Rohit Sharma (Batch 2000–04, Electronics & Communication) is Founder of Elevate Kids. Company is an organization focused on children's ministry and leadership development. Their primary goal is to provide resources that help teach children leadership traits based on Biblical principles. Students from B. Tech CSE Final year participated.

❖ Industrial Visit and Educational Tour from 25th February to 1st March 2026, Ms. Neha and Mr. Ravinder Kumar, Assistant Professors of BRCM College of Engineering and Technology, accompanied 18 students for an industrial visit and educational tour. During this visit, the group visited Solitaire Infosys in Mohali, where students were introduced to the working environment and practices of the IT industry. After the company visit, the group proceeded to Manali for the tour. The visit provided students with valuable industry exposure and learning experience.

OTHER ACTIVITIES

❖ BRCM Club of Nobels (BCON) under the supervision of patron Dr. Jitendra Gaur, Associate Professor and HoD- Applied Sciences & Humanities organized 3 days Gully cricket tournament for B.Tech. students. In the tournament, 10 teams participated and the team “**Pirates**” under the captainship of Abhinav grabbed Winners trophy and team “**Thunderstrike**” under the captainship Gautam grabbed Runner-Up trophy.

❖ NCC 'B' Certificate Exam: Under the supervision of Dr. Jitendra Gaur, Associate Professor in Physics, HoD- Applied Sciences & Humanities and NCC-ANO, 25 Cadets of NCC II Year participated in 2 days NCC-'B' Certificate Exam held on 07-08 February, 2026 at Vaish College, Bhiwani.

❖ **NCC 'C' Certificate Exam:** Under the supervision of Dr. Jitendra Gaur, Associate Professor in Physics, HoD-Applied Sciences & Humanities and NCC-ANO, 24 Cadets of NCC III Year participated in 2 days NCC-'C' Certificate Exam held on 14-15 February, 2026 at Pt. Neeki Ram College, Rohtak.

❖ **NCC 'B' Certificate Result:** Under the supervision of Dr. Jitendra Gaur, Associate Professor and HoD-Applied Sciences & Humanities and NCC-ANO, all 25 Cadets of NCC qualified 'B' Certificate exam successfully with 10 A-Grade; 13 B-Grade; and 2 C-Grade.

❖ **EPL (Engineering Premier League)** Season 2 was successfully organized in our college with the aim of promoting sportsmanship, teamwork and student

engagement. The tournament brought together talented players from different teams and created an enthusiastic environment on campus. The final match was played between Champion Blasters and Victory Vipers. Six teams participated in this event. It was an intense and exciting match, and Champion Blasters emerged as the winner of EPL Season 2. EPL Season 2 was sponsored by the Alumni Association of BRCM CET and Ultra Tech Cement Ltd. The event was highly appreciated by students and faculty members alike, adding to the vibrant campus culture. It also provided a great platform for students to showcase their skills and build lasting memories.

GDC

MEMORIAL COLLEGE

Research Activities

Patent/Book Published

- ❖ Dr. K.D. Malakar and Dr. Himanshu Grover, Assistant Professors of Geography, published a collaborative design patent titled **“Land Surface Temperature Measuring Device.”** The patent was published in January 2026 by the Patent Office, Government of India.
- ❖ Dr. Himanshu Grover, Assistant Professor of Geography, published a collaborative design patent titled **“Groundwater Contamination Analysis Device”** (Design No. 473099-001) on 14th January 2026.
- ❖ Dr. Sukhender, Assistant Professor of physics, with collaborators registered a design titled **“Phase-Controlled Spintronic Energy Storage Device”** with the Patent Office, Government of India (Design No. 484548-001, Class 13-02). The design was registered on 20th December 2025 and the certificate was issued on 02nd February 2026.
- ❖ Dr. Sukhender, Assistant Professor of physics, with collaborators was granted registration of a design titled **“Solar Energy Harvesting Device”** by the UK Intellectual Property Office (Design No. 6491450). The design was registered on 09th December 2025 and granted on 09th February 2026.
- ❖ Dr. Sunitha Fogat, Assistant Professor of Agriculture, with collaborators registered a design titled **“Artificial**

Intelligence Based Plant Growth Chamber” with the Patent Office, Government of India (Design No. 435496-001, Class 15-03). The certificate was issued on 18th February 2026.

- ❖ Dr. Kousik Das Malakar, Assistant Professor of Geography, got acceptance of a new design patent, titled **“Environmental Data Visualiser”** by the Department of Industrial Policy and Promotion, Ministry of Commerce and Industry, GoI.
- ❖ Dr. K. D. Malakar, Assistant Professor of Geography, has contributed to a collaborative book titled **“Coastal Ecologies at Risk,”** recently published by Springer Nature. The work involves collaboration with esteemed institutions including IIT Kharagpur, Pondicherry University (Port Blair) and Visva-Bharati University. The Hon'ble Director, Dr. S. K. Sinha, also contributed a foreword to the book.

Research Paper Published

- ❖ Dr. Purna Sihag and Dr. Sunitha Fogat, Assistant Professors of Agriculture, jointly published a paper titled ***Analysis of Agrometeorological Efficiencies, Phenothermal Index and Yield of Brinjal Varieties under Different Growing Environment*** in the Journal of Scientific Research and Reports, 32(1), 357–364 in January 2026. <https://doi.org/10.9734/jsrr/2026/v32i13901>

- ❖ **Dr. Deepak Kumari**, Assistant Professor of Agriculture, published a paper titled **Correlation analysis of weather variables influencing white rust diseases in Indian mustard** in the International Journal of Research in Agronomy, 9(1S), 381–388 in January 2026. <https://doi.org/10.33545/2618060X.2026.v9.i1Se.4775>.
- ❖ Dr. Sunitha Fogat and Purna Sihag, Assistant Professors of Agriculture, published a research article titled **“Quantifying the Influence of Agrometeorological Parameters on Growth and Yield of Brinjal: A Comprehensive Review”** in the Journal of Geography, Environment and Earth Science International in 2026.
- ❖ Dr. Sanjay Gaur, Associate Professor & Head, Department of Physics, has achieved a significant academic milestone with the publication of his research paper, in collaboration with MDU, Rohtak, titled **“Almond–West Formalism and Equivalent Circuit Modeling of AC Conductivity in $K_2OPbOBi_2O_3B_2O_3$ Glasses.”** The paper has been published in the reputed international journal Ceramics International (Impact Factor: 5.6), an SCI and Scopus-indexed Elsevier (Netherlands) publication and has been available online since March 20th, 2026.
- ❖ Dr. Ashok Kumar, Assistant Professor of History, published a research paper titled **“1857 ke Rashtriya Vidroh Mein Nari Parakram”** in the international peer-reviewed journal Bohal Shodh Manjusha (ISSN: 2395-7115). The paper appeared in March 2026, Volume 23, Issue 3 (Part-2).

Research Paper Presented

- ❖ Dr. Himanshu Grover, Assistant Professor of Geography, presented a research paper in a One-Day International Conference on **“World View through the Closed Doors and Broken Windows”** organized by Government College for Women, Narnaul and sponsored by the Directorate General of Higher Education (DGHE), on 20th January 2026.
- ❖ Dr. Himanshu Grover, Assistant Professor of Geography, presented a research paper in a Two-Day National Seminar on **“Environment, Ecology and Space Weather”**, organized by Bherulal Patidar Government P. G. College, Mhow and sponsored by the Madhya Pradesh Higher Education Department (MPHED), held on 30th–31st January 2026.
- ❖ Dr. Himanshu Grover, Assistant Professor of Geography, presented a research paper titled **“Water Ethics in Indian Knowledge System: A Sustainable Development Perspective”** The paper was presented in a **One-Day National Seminar on “Indian Knowledge System and NEP-2020,”** organized by CRDAV Girls College, Ellenabad on 16th February 2026.
- ❖ Dr. Himanshu Grover, Assistant Professor of Geography, presented a research paper titled **“Delineation of Groundwater Potential Zones in Western Haryana using AHP and GIS Techniques.”** The paper was presented in a One-Day National Seminar on **“Emphasis on Indian Knowledge System in Context of Sustainable Development Goals with Reference to**

NEP-2020 in Vikshit Bharat @2047" organized by IQAC, Government College for Women, Badhra (Charkhi Dadri) on 07th February 2026.

- ❖ Mrs. Priyanka Rani, Assistant Professor of Geography, presented a research paper titled **"Impact of Urbanisation on the Environment of Hisar City, Haryana"** in a One-Day National Seminar on **"Emphasis on Indian Knowledge System in Context of Sustainable Development Goals with Reference to NEP-2020 in Vikshit Bharat @2047"** organized by IQAC, Government College for Women, Badhra (Charkhi Dadri) on 07th February 2026.
- ❖ Dr. Mukesh Kumari, Assistant Professor of History, presented a research paper titled **"Revolutionary Literature and Political Writing in the Indian Freedom Struggle: An Analytical Study"** at a National Seminar organized by the Department of English, BLJS College, Tosham, on March 14th, 2026.
- ❖ Dr. Punita, Assistant Professor of English, presented a research paper titled **"From Conflict to Clarity: The Bhagvad Gita as a Literary Guide to Human life"** at a National Seminar organized by the Department of English, BLJS College, Tosham, on March 14th, 2026.

Workshop/FDP/ Webinar/ Conference/ Seminar Attended

- ❖ Dr. Sanjay, Associate Professor, Department of Physics, participated in a State-Level Online Workshop on NIRF 2026 held on December 10th, 2025. The workshop provided an overview of revised ranking parameters, data metrics, methodology and submission

procedures, with emphasis on accurate data reporting and quality assurance.

- ❖ Dr. Sanjay Gaur participated in a one-day online Training Programme on **NIRF-2026: How to Fill the Data Capture System (DCS)** organized by the Haryana Statistical Cell, Department of Higher Education, Panchkula (Haryana) on 31st January 2026.
- ❖ Dr. Punita, Assistant Professor of English, actively participated in a Seven Day Online Workshop on Integration of AI in Teaching and Learning from 19th January 2026 to 25th January 2026 organized by St. Joseph's College Devagiri, Kozhikode, Kerala.
- ❖ Dr. Kousik Das Malakar attended the State-Level Online Workshop on NIRF-2026 as the Nodal Officer of the College, organized by the Haryana Statistical Cell, Department of Higher Education, Government of Haryana, Panchkula on 31st January 2025.
- ❖ Dr. Punita, Assistant Professor of English, actively participated in a Three-Day Virtual National Workshop titled **"From Idea to Impact: Accelerating Your Research Journey from Concept Development to Journal Publication in the Age of AI."** The workshop was organized by the Department of English in association with the College Library, St. Dominic's College, Kanjirapally, Kerala and was held from 26th February to 28th February 2026.

Research Papers Reviewed

- ❖ Dr. Sanjay, Associate Professor, Department of Physics, activity undertaken review of the following research manuscripts:

1. **“Engineering Borophosphate Glasses for Bioactivity: Impact of Calcium on Structure, Physical and Optical Properties”** on 08th January, 2026, which was submitted by Saman Qadir Mawlud, Department of Physics, College of Education, Salahaddin University-Erbil, Erbil, Iraq for publication in the international journal *Ceramics International* (Elsevier Journal).
2. **“Preparation and Crystallization Kinetics of High Refractive Index $\text{Bi}_2\text{O}_3\text{--B}_2\text{O}_3\text{--ZnO--Sb}_2\text{O}_5$ Glass”** on 17th January, 2026, which was submitted by Lei Yang, Tianjin Key Laboratory of Functional Crystal Materials, Institute of Functional Crystal, Tianjin University of Technology, Tianjin 300384, China.
3. **“Graphene/ $\text{Bi}_2\text{O}_3\text{:Sr}$ Composite for Highly Efficient Supercapacitors and Its Use for the Degradation of Dyes/Herbicides”** on 30th January, 2026, which was submitted by JORGE OLIVA, Centro de Física Aplicada y Tecnología Avanzada - UNAM, 76230 Juriquilla, Querétaro, México for publication in the international journal *Ceramics International* (Elsevier Journal).
4. **“Manganese Oxide Embedded Alkali Antimony Boro-Tellurite Glasses: Synthesis, Physical, Optical and Structural Correlation for Possible Mid-Infrared Optical Applications.”** The manuscript was submitted to the *Journal of Alloys and Compounds*, an international SCI and Scopus-indexed journal with an impact factor of 6.3, published by Elsevier.
5. **“First-Order-Like Liquid-to-Amorphous Transition in Boron: The Role of Geometrically Frustrated Icosahedral Ordering,”** submitted to the *Journal of Non-Crystalline Solids*, an

international SCI and Scopus-indexed journal (Impact Factor: 3.5) published by Elsevier.

- ❖ Dr. K.D. Malakar, Assistant Professor, Department of Geography, activity undertaken review of the following research manuscripts:
 1. A research papers for the *Sustainability Science* (Springer Nature, New York).
 2. A research papers for the *Applied Water Science* (Springer Nature, New York).
 3. A research paper for the *Planning, Practice & Research* (Taylor and Francis Group, England).

Miscellaneous Research Activities

- ❖ **Dr. Kousik Das Malakar**, Assistant Professor of Geography, has signed as **Lead Editor** for a new edited book project entitled **Monitoring and Sustainable Management of Disaster Risk** with CRC Press (Taylor & Francis Group) USA, in collaboration with three international organizations and universities: the Climate Adaptation Services (CAS) Foundation, The Netherlands, Tishk International University, Iraq and the Central University of Haryana, India.
- ❖ **Dr. Kousik Das Malakar** has signed as **Co-Editor** for an edited book project entitled **Life in the Indian Himalayas: Challenges, Opportunities and Sustainability** with Springer Nature, Switzerland, in collaboration with the Central University of Haryana and Rana Pratap Post Graduate College (Dr. Rammanohar Lohia Avadh University, Uttar Pradesh).
- ❖ Dr. Satya Narayan, Assistant Professor of Mathematics, has successfully completed his **Ph.D.** from Banasthali Vidyapith. He was enrolled on February

1, 2021 and was awarded the degree on March 14th, 2026. His research work is titled **“Fixed Point Theorems in Fuzzy Metric Spaces and Their Applications.”**

- ❖ Dr. Kousik Das Malakar presented a provisionally shortlisted project proposal titled **'Participatory Policy Planning for Sustainable and Climate-Smart Water Governance in Rural Haryana'** at the Haryana State Higher Education Council, Panchkula, under the Haryana State Research Fund Scheme (Session 2025–26).

Sports Activities

❖ Participation in 02nd National Beach Throwball Championship :-

The Department of Physical Education (BPES) actively participated in the 02nd National Beach Throwball Championship held from 13th to 15th March at Rishikesh. A team of 10 enthusiastic students proudly represented the department, comprising six boys-Sukhbir, Viresh, Manish, Amit, Anil and Aman; and four girls-Muskan, Prity, Anita and Niku.

The team was guided and mentored by Assistant Professors Mr. Madan Mohan Yadav and Mr. Nikhilesh Kumar, whose support and encouragement played a vital role in the students' participation and performance. The event provided valuable exposure and an opportunity to showcase their skills at the national level.

Celebrating the Spirit of the Nation

❖ Basant Panchami: A Celebration of Wisdom & Valour:-

GDC Memorial College, in collaboration with other Higher Educational Institutions, celebrated the auspicious festival of Basant Panchami with profound enthusiasm and reverence on campus. The programme began with a sacred **Havan-Poojan**, resonating with the rhythmic chants of Vedic hymns, led by Pandit Vijay Prasad Shukla, the esteemed priest of the Devi Temple, Bahal.

The occasion was graced by the distinguished presence of Dr. S. K. Sinha, Director of BRCMES and Principal of the GDC MC, who attended as the Chief Guest. Devotional prayers were offered to Goddess Saraswati, invoking her blessings for wisdom, enlightenment and noble inspiration for the entire academic community. Students were encouraged to welcome new ideas, cultivate creativity and move forward with optimism and purpose.

❖ Parakram Diwas: Honouring Courage and Patriotism-

GDC Memorial College solemnly observed **Parakram Diwas** to commemorate the 128th birth anniversary of Netaji Subhas Chandra Bose, a towering symbol of courage, leadership and unwavering patriotism. The occasion served as a tribute to his indomitable spirit and his relentless struggle for India's freedom.

Floral tributes were offered to Netaji, as faculty members and students gathered to remember his extraordinary contributions to the nation.

❖ National Voters' Day Observed :-

National Voters' Day was observed on 24th January 2026 in the college Seminar Hall. The programme was jointly organized by the NSS Cell and the Department of Political Science. Dr. S. K. Sinha, Director of BRCM Education Society and Principal of the College, graced the occasion as the Chief Guest.

❖ National Science Day Presentation Activity:-

The Department of Chemistry organized a PowerPoint presentation activity on the topic "**Raman Effect**" on 28th February 2026 to mark National Science Day. M.Sc. Chemistry students delivered presentations explaining the scientific principles and significance of the Raman Effect. A total of 12 students participated in the activity under the guidance of Dr. Anita, Head of the Department of Chemistry.

❖ **Celebration of National Women's Day-**

The Women Cell of GDC Memorial College organized a virtual expert session on “**Cyber Security and Digital Safety**” on the occasion of National Women's Day in March 2026. The session was delivered by Ms. Pragya Jha from Infosys. An inter-college poster making competition was also organized and winners were awarded certificates and prizes.

Educational Tour/Visit

❖ **Educational Tour to Odisha: Learning Beyond Classrooms:-**

The Department of Physical Education and Sports, in collaboration with the Internal Quality Assurance Cell (IQAC), organized an enriching educational tour to Puri and Bhubaneswar, Odisha, from 20th to 27th January 2026. The tour was designed to promote experiential learning, physical fitness and awareness of India's rich scientific, cultural and historical heritage. A total of six faculty members and seventeen

students from various departments actively participated in the programme. The tour was efficiently coordinated by Sh. Madan Mohan Yadav, Assistant Professor, Department of Physical Education and Sports, under the overall supervision of Dr. Sanjay Gaur, Associate Professor (Physics) and IQAC Coordinator.

❖ **Field Visit to Surpura Kalan: Experiential Learning in Agriculture**

An educational field visit for B.Sc. (Hons.) Agriculture students, was organized to Surpura Kalan on 24.02.2026, offering valuable hands-on exposure to allied agricultural enterprises.

During the visit, students explored a beekeeping unit, where they learned about scientific apiculture practices, including hive management, honey extraction and the vital role of bees in crop pollination. The interaction provided practical insights into sustainable and profitable agricultural practices. The visit was effectively coordinated by Dr. Deepak Kumari and Mr. Maan Singh, making it an enriching learning experience beyond the classroom.

Workshop/Training Programme

❖ One-Week Workshop-cum-Training Program on Basics of Remote Sensing and GIS-

The Department of Geography, GDC Memorial College, Bahal organized a one-week Workshop-cum-Training Programme on “**Basics of Remote Sensing and GIS**” from 29.01.2026 to 04.01.2026. The programme was conducted under the convenorship of Dr. Himanshu Grover, with Dr. K. D. Malakar as Co-convenor, Mr. Sachin as Programme Coordinator and Ms. Priyanka Rani as Programme Secretary. The workshop featured both theoretical sessions and hands-on training, equipping participants with essential knowledge and practical skills in Remote Sensing and GIS applications.

❖ Training on Mushroom Production:-

The Department of Agriculture organized a five-day training programme on mushroom production from 16.03.2026 to 20.03.2026 in collaboration with CCSHAU, Hisar. Attended by 84 B.Sc. Agriculture students, the programme aimed to bridge the gap between theoretical knowledge and practical skills. Experts conducted sessions on composting methods, substrate preparation, temperature control and hygiene, inspiring students to explore mushroom farming as a sustainable source of income.

NSS Camps

❖ NSS Special Camp: Service and Social Awareness :-

The NSS Unit of the college organized a seven-day Special Camp at Village Sudhiwas from 06.02.2026 to 12.02.2026, with active participation of 50 NSS volunteers. The camp aimed to foster social service, discipline, leadership and community engagement among students. They also engaged with villagers to spread awareness about health, hygiene, education and social responsibility. The camp further featured activities such as poster making, quiz competitions and guest lectures, making it a meaningful and impactful learning experience.

❖ Outstanding Performance of Students at NSS Camp :-

Students of GDC Memorial College, Bahal showcased excellent performance at the seven-day university-level NSS camp held from 15.03.2026 to 21.03.2026 at Vaish College, Bhiwani. Four students—Atul, Bhupendra, Sachin and Kiran—actively participated in competitions such as rangoli, poster making, speech and startup ideas. Under the guidance of Principal Dr. S. K. Sinha and with support from NSS Programme Officer Vikram Singh, the students achieved commendable success, bringing pride to the institution.

Other Activities

❖ Expert Session on Emerging Technology in the Defense Sector:-

The Post Graduate (PG) Department organized an expert session on “**Emerging Technology in the Defense Sector and Career Opportunities.**” The session was held on 04.02.2026 and was delivered by Dr. Amitanshu Patnaik, Senior Scientist, DRDO. More than 50 students participated in the informative and interactive session organized under the guidance of Dr. Anita, PG Incharge.

❖ Tribute to Martyrs on Shaheedi Diwas:-

The Department of History organized a special tribute ceremony on the occasion of Shaheedi Diwas to commemorate the supreme sacrifice of Bhagat Singh, Rajguru and Sukhdev. The program aimed to inspire young students by highlighting the courage and patriotism of these great heroes who embraced martyrdom for the nation's freedom. Faculty members and students paid floral tributes and pledged to follow their ideals.

BRCM

LAW COLLEGE

Research Activities

- ❖ Mr. Kamal Kumar, Assistant Professor (Law), published a research paper titled **“Law and a Lie that Ruined Lives: A Socio-legal Study on the Impact of False Rape Allegations on Men Mental Health in India”** in the **International Journal of Research Publication and Reviews**, ISSN: 2582-7421, Vol (6), Issue 11 on November 2025.
- ❖ He also published another research paper titled **“Critical Evaluation and Contemporary Challenges in Writ Jurisdiction”** in the **International Journal of Research Publication Analysis**, ISSN: 2456-9995, Volume 01, Issue 07 on December 2025.

Teacher Training Programme/Conference/Seminar

- ❖ Dr. Sunil Kumar Shukla, Principal, & Mr. Pawan Kumar, Assistant Professor, Law College, have completed the **NEP Orientation & Sensitization Programme** under the **Malaviya Mission Teacher Training Programme (MM-TTP)** of the **University Grants Commission (UGC)**. The Programme was organized by **UGC- Malaviya Mission Teacher Training Centre, DDU Gorakhpur University, Gorakhpur**, from 20-12-2025 to 28-12-2025.
- ❖ Mr. Pawan Kumar, Assistant Professor (Law), also participated in **One Day National Seminar** titled **“Right to Speech & Expression and its**

Limitations” organized by the Department of Law, Indira Gandhi University, Meerpur, Rewari on 30 January, 2026 and presented a research paper titled **“Judicial Interpretation of Article 19(1)(A): A Study of Landmark Judgments”**.

Executive Trustee Shri Anil Chaudhary Ji Visited BRCM Law College

- ❖ The New Year celebrations commenced with the gracious visit of Shri Anil Chaudhary Ji, Executive Trustee, BRCMES, along with his wife Mrs. Nilam Chaudhary Ji, on 04.01.2026. They were cordially welcomed by the Principal, Dr. Sunil Kumar Shukla, along with the faculty and staff. Dr. S.K. Sinha, Director, also accompanied the dignitaries during the visit.
- ❖ On the occasion of New Year 2026 and the birthday of Mrs. Nilam Chaudhary Ji (celebrated on 03 January 2026), blankets and sweets were distributed among the employees of the BRCM Group of Institutions. This noble initiative reflected the institution's values of compassion, gratitude and social responsibility and was highly appreciated by all.

Inspection by CBLU, Bhiwani

- ❖ An inspection team of Chaudhary Bansi Lal University, Bhiwani, comprising three members, visited BRCM Law College on 16 January 2026, for inspection regarding the extension/continuation of provisional affiliation with the existing intake for the following courses for the academic session 2025-26:
- ❖ B.A.LL.B. (5-Year) - 120 Seats
- ❖ LL.B. (3-Year) - 60 Seats
- ❖ LL.M. (2-Year) - 30 Seats

Brochure Launch of the Second National Moot Court Competition

- ❖ The organization of the Second National Moot Court Competition by BRCM Law College, on 28–29 March 2026, is a highly commendable and significant initiative in the field of legal education. In connection with this prestigious national-level competition, the official brochure was formally launched on 6th January 2026 in the Conference Hall of the College. The brochure launch ceremony was graced by the presence of Dr. S.K. Sinha, Director, BRCM Education Society, Dr. Sunil Shukla, Principal, and members of the Organizing Committee of Moot Court Competition.
- ❖ The competition aims to provide law students from across the country with an opportunity to enhance their practical understanding of court proceedings, advocacy skills, legal reasoning and research aptitude. The multi-round format, presence of judges and senior advocates and attractive prize structure make it a highly enriching academic event.

Vasant Panchami Celebration

- ❖ Vasant Panchami was celebrated with devotion and enthusiasm at BRCM Law College on 23 January 2026. The worship of Goddess Saraswati, the deity of knowledge and wisdom, was performed in a traditional manner. The celebration fostered cultural values and reinforced the spirit of learning within the institution.

Observance of 'Safer Internet Day Awareness Campaign on Cyber crime'

- ❖ BRCM Law College organized an Awareness Campaign on Cyber crime on the occasion of Safer Internet Day by poster making competition on 09.02.2026. The College Principal, Dr. Sunil Kumar Shukla, raised awareness about emerging online issues and current concerns among students. The program was successfully organized under the efficient direction of Ms. Bharti, Assistant Professor.

National Women's Day Celebrated with Great Enthusiasm by BRCM Higher Educational Institutions

- ❖ On 13 February 2026, all the higher educational institutions of BRCM jointly celebrated "National Women's Day" at the M.K. Chaudhary Auditorium under the aegis of the Women's Cell. On this occasion, various programs were organized on diverse themes. An online expert session was conducted on the topic "Cyber Security and Digital Safety for Women." In addition, speech competitions, poster-making and poetry recitation were organized based on the theme "Cyber Security and Digital Safety."
- ❖ The program commenced with the ceremonial lighting of the lamp before Goddess Saraswati. The Chief Guest, Dr. Sunil Shukla, elaborated on the significance of National Women's Day in his address. He highlighted the remarkable contributions of Sarojini Naidu, a renowned poetess, freedom fighter and distinguished national leader, toward the development and empowerment of women. She was popularly known as the "Nightingale of India." National Women's Day is celebrated to honor her invaluable contributions. He further mentioned that she became the first woman President of the Indian National Congress in 1925.
- ❖ On the occasion, Mr. Manoj Kumar, Assistant Professor of Hindi at GDC Memorial College, presented a poem titled "What Can Anyone Truly Write about Women on Paper." Dr. Anita Dalal from BRCM Engineering College delivered a speech highlighting the relevance of National Women's Day in the present era.

- ❖ The program concluded with a vote of thanks proposed by Dr. Anju, Assistant Professor at GDC Memorial College. The event ended with the National Anthem. Faculty members and students from all the colleges were present on this occasion.

Online Workshop on Investment Awareness

- ❖ On 18 February 2026, an online workshop on the topic of Investment was organized at BRCM Law College under the aegis of the Bombay Stock Exchange, Mumbai. The objective of the workshop was to create awareness among students about the stock market, various investment avenues and the importance of financial literacy.
- ❖ The keynote speaker, Ms. Kavita Dhanraj Chordiya, provided detailed insights into long-term investment strategies, risk management, mutual funds, equity markets and Systematic Investment Plans (SIP). She emphasized the importance of proper research, patience and discipline before making investment decisions.
- ❖ On this occasion, under the guidance of the Principal, Dr. Sunil Kumar Shukla; faculty members and students actively participated in the online workshop and benefited from the informative session. Students enthusiastically engaged in the interaction and clarified their queries during the question-and-answer session.

- ❖ The workshop proved to be highly informative, useful and inspiring for the students.

Heartiest Congratulations on the Award of Ph.D.

- ❖ BRCM Law College proudly congratulates Ms. Bharti, Assistant Professor, on the successful completion of her Ph.D.
- ❖ She pursued her doctoral research at Maharshi Dayanand University, under able supervision of Dr. Kavita Dhull, on the topic "Expanding Horizons of Defamation: A Critical Study of Legislative Framework in India." Her viva voce was conducted on 06 February 2026 and the University officially notified the award of her Ph.D. on 19 February 2026.
- ❖ This remarkable achievement reflects her dedication, perseverance and academic excellence. Her accomplishment brings immense pride to the institution and serves as an inspiration to students and colleagues alike.
- ❖ On behalf of the entire staff of BRCM Law College, we extend our heartfelt congratulations and best wishes for her continued success in her academic and professional endeavors.

Participated in the 16th GIL Moot Court Competition 2026

BRCM Law College, team of 3 students- Nitesh Verma, Aarti and Yogesh, under the leadership of Mr. Kamal Kumar, Assistant Professor of Law, had participated and won the 2 rounds in the GIL Moot Court Competition-2026, which was organized by Geeta Institution of Law, Panipat on 28th February - 01 March, 2026. Dr Sunil Kumar Shukla, Principal, congratulated the students and inspired them to move forward with hard work and dedication

Observance of Hindi Quiz Competition

BRCM Law College has organized a Hindi Quiz Competition on 12.03.2026 with great enthusiasm. This quiz competition aimed to create awareness about preserving and protecting the heritage of the Hindi language. The Quiz competition was successfully organized under the efficient direction of Mr. Manoj Kumar, Assistant Professor of Hindi and under the guidance of Principal, Dr. Sunil Kumar Shukla.

Educational Tour to Manali by Students

BRCM Law College has organized a Hindi Quiz Competition on 12.03.2026 with great enthusiasm. This quiz competition aimed to create awareness about preserving and protecting the heritage of the Hindi language. The Quiz competition was successfully organized under the efficient direction of Mr. Manoj Kumar, Assistant Professor of Hindi and under the guidance of Principal, Dr. Sunil Kumar Shukla.

Visit to One-Day National Lok Adalat

A One-Day National Lok Adalat was organized by the District Legal Services Authority (DLSA), Bhiwani, under the aegis of the National Legal Services Authority (NALSA), New Delhi, on 14th March 2026.

A group of eight (08) students from BRCM Law College attended the proceedings of the National Lok Adalat under the supervision of Sh. Pawan Kumar, Assistant Professor.

Such visits provide valuable exposure to students, enabling them to understand the functioning and procedures of the Lok Adalat and fostering practical insights into the working of the judicial system.

World Water Day Celebration

World Water Day is celebrated every year on 22nd March. This year, the program was organized at BRCM Law College on 21st March, as 22nd March was a Sunday. The main objective of this day is to spread awareness about the importance of water and to encourage its conservation. Water is the basis of life - without it, life cannot be imagined.

On this occasion, a poster-making competition was organized, in which students created beautiful and inspiring posters related to water conservation, spreading awareness among all. During the event, Dr. Sunil Kumar Shukla was also present with the students and encouraged them.

In today's time, water scarcity is becoming a serious issue. Due to increasing population, excessive use of water, pollution and lack of proper rainwater harvesting, the availability of clean water is decreasing. If this problem is not addressed in time, we may face severe water crises in the future.

We must understand the importance of every drop of water and take concrete steps

to save it, such as not leaving taps open, practicing rainwater harvesting, using water wisely and motivating others to do the same.

Thus, World Water Day gives us the message that “Water is Life” and it is our responsibility to conserve it.

“Frames of Justice” National Youth Reel and Short Film Competition

“Frames of Justice” National Youth Reel and Short Film Competition is a commendable initiative aimed at creating awareness among youth about justice, rights and social issues. The competition was organized at BRCM Law College, where students got an opportunity to express their creativity and ideas through reels and short films.

On this occasion, Dr. Sunil Kumar Shukla guided and motivated the students, encouraging them to present their thoughts in an effective and impactful manner.

Such programs not only provide a platform for talent but also play a significant role in spreading awareness about social issues and inspiring positive change. Participants presented themes like justice, equality, human rights and social responsibility in a very impressive way.

This competition helps in empowering youth, boosting their confidence and motivating them to become responsible citizens. Such initiatives should be organized regularly to channelize the creative energy of young minds in the right direction.

National Moot Court Competition

BRCM Law College, Bahal successfully organized a two-day National Moot Court Competition on March 28th - 29th, 2026. The prestigious event witnessed enthusiastic participation from various law universities/institutions across the country. The program commenced with the ceremonial lighting of the lamp and Saraswati Vandana. Dr. Sunil Kumar Shukla, Principal of the college, warmly welcomed the Chief Guest and other distinguished guests. On this occasion, Dr. S.K. Sinha, Director, BRCM Educational Society, presented an overview of the event and highlighted the significance of moot court competitions in legal education.

In the competition, the team from Amity Law University, Mohali emerged as the Winner, while the team from Asian Law College, Noida secured the Runner-up position. The winning and runner-up teams were felicitated with trophies and certificates during the valedictory ceremony.

The award for Best Memorial was conferred upon Chaudhary Devi Lal University, Sirsa, while the Best Researcher award was given to C.R. Law College, Hisar. Additionally, the Best Moot Court Participant award was presented to Adam Gaabil, a student of Army Law College, Pune.

The valedictory ceremony was graced by the Chief Guest, Prof. Ashok Kumar Makkar, Dean, Faculty of Law, Chaudhary Devi Lal University, Sirsa, who emphasized that moot court competitions are not merely about winning or losing, but serve as a vital platform for the overall development of students and strengthening their legal acumen.

On this occasion, Guest of Honour, Mr. Balbir Sharma, Former President, Bhiwani Bar Association and Senior Advocate, motivated the students and stated that such competitions provide practical exposure to real judicial proceedings.

BRCM GYANKUNJ SCHOOL

(A Day-cum-Residential, Co-Ed School, Affiliated to CBSE)

Seven - Day Winter NSS Camp from 3rd to 9th January 2026

The NSS camp at Gyankunj school was inaugurated with lamp lighting, the NSS song and Vande Mataram. The cultural performance enriched the event. The **Chief Guest Dr. Ashok Pania** highlighted the motto “**Not Me But You,**” emphasizing value-based living, social responsibility and India's rural culture.

On the second day, Ms. Bharti, Assistant Professor from BRCM Law College, Bahal, the Chief Guest was welcomed by the Principal Mr. Rajesh Kumar Jhajharia. Ms. Bharti highlighted the need for digital awareness, rising **Cyber Crimes and Digital Vigilance**, followed by a talk by volunteer Vikram on Cyber Security.

The Third day of the NSS Camp was held in a disciplined and inspiring manner under the guidance of **Sister Shakuntala Ji, the Chief Guest and the Special Guest Sister Poonam Ji, Brahmakumari Ashram**, Bahal. They addressed the volunteers on Moral Values, Self-Discipline and the harmful effects of drug addiction. A drug free pledge was administered by them.

The fourth day of the NSS camp was focused on, A New Direction - Discipline, Learning, Inspiration and Career Guidance. Alumni Savita Kumari, Village Secretary, Loharu and Pragati, Secretary, Municipal Committee, Barwala addressed the volunteers about Government welfare schemes like Social Development, Career Guidance, Cleanliness and Personal Growth.

The fifth day of the NSS camp was inaugurated by the Chief Guest and the keynote speaker, Prof. Vikram Singh, NSS Coordinator, GDC Memorial College. He highlighted the importance of indigenous goods and the role of youth in nation-building, Prof. Singh spoke on “Adopt Swadeshi – Build a Self-Reliant India”.

On the sixth day, Vice-Principal Mrs. Saraswati Dixit flagged off an Anti-Drug Rally. Volunteers visited Sorda Jadid and Kadim, to spread awareness on drug de-addiction and **Beti Bachao-Beti Padhao** through rallies and a door-to-door signature drive. The villagers actively participated and the elders were inspired with a sense of responsibility and patriotism. The day also included a visit to the ancient pond and a Cleanliness Drive at Alakh Gaushala, making it an educational and motivational experience.

The seven day NSS Camp concluded with great enthusiasm and patriotic spirit. The closing ceremony was graced by Dr. Anuj Sharma, Principal, BRCM Engineering College and presided over by Mr. Rajesh Kumar Jhajharia, Principal, BRCM Gyankunj School. The activities focused on **“Youth for My Bharat”** and **“Digital Literacy”**, including Road Safety, Cyber Security, Yoga, Cleanliness and Social awareness. Outstanding volunteers were honored for their achievements in competitions and cultural events.

Visit of Sh. Anil Chaudhary Ji, Trustee BRCMES

Sh. Anil Chaudhary Ji, Trustee, along with his wife Mrs. Nilam Chaudhary, visited the Gyankunj Campus on 04th January 2026 to review the academic environment, infrastructure and ongoing developmental activities. During the visit, they inspected the classrooms, laboratories and library. They expressed satisfaction with the overall maintenance and cleanliness of the campus.

129th Birth Anniversary of Netaji

To pay tribute to **Netaji Subhas Chandra Bose**, Gyankunj School celebrated Prakram Diwas with NSS volunteers and NCC cadets on 23rd January 2026. Speeches, inspiring stories and a poster-making competition highlighted his leadership, sacrifices and patriotism.

Republic Day Celebration

The Republic Day was celebrated with great enthusiasm and patriotic fervor in Gyankunj premises on 26th January 2026. On this occasion the tricolor was unfurled by the Principal Sh. Rajesh Kumar Jhaharia and the Vice Principal Mrs. Saraswati Dixit. The Principal addressed the gathering and emphasized the values of unity, integrity and responsibility. The National Anthem was sung on this occasion. All the staff members and the students were wished by the principal and the vice principal. They were congratulated on completion of 150 years of our National Song "**Vande Mataram**".

SAYONARA 2026

Gyankunj hosted a grand farewell for Class 12 students under the theme “Sayonara 2026” on 06th February 2026. The event was presided over by Dr. S. K. Sinha, Director, BRCM Education Society, with Mr. Nagender Singh, Audit Officer (Haryana Government), as Chief Guest and Dr. Richa Sheoran, MD, PHC Bahal, as Special Guest. Highlighting self-reliance, discipline and goal-setting, Dr. Sinha emphasized that education is a foundation for life. Dr. Richa Sheoran encouraged students to follow human values and a positive attitude, while Mr. Singh inspired them to pursue their dreams fearlessly; proving rural talent can achieve global recognition. The program included melodious songs, soulful performances and vibrant Bollywood and Haryanvi dances. Ramp walk titles were awarded: **Mr. Gyankunj – Tushar Chaudhary, Miss Gyankunj – Jasmine, Mr. Farewell – Alex, Mr. Charm – Saurabh, Miss Farewell – Nandika, Miss Diva – Divya.**

Commencement of BRCM Sainik School, Bahal

BRCM Sainik School has been allotted a total of 120 candidates, including both boys and girls, for the academic session 2026–27. This allotment marks an important step towards strengthening the institution's commitment to provide quality education and disciplined training in line with the vision of Sainik Schools.

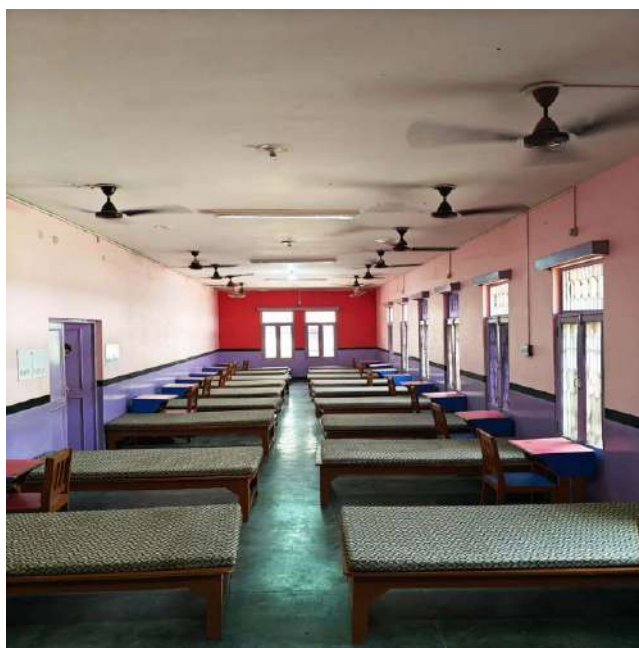

The school administration has made comprehensive preparations to welcome the newly admitted students. The hostel facilities have been fully prepared, ensuring a safe, comfortable and well-disciplined residential environment for both boys and girls. Separate hostel arrangements have been organized with proper supervision, hygiene and security measures in place.

In addition to hostel readiness, the school has also upgraded and arranged academic infrastructure, dining facilities, medical support and recreational amenities to meet the needs of the incoming students. Special emphasis has been laid on maintaining high standards of discipline, cleanliness and overall well-being.

As per the guidelines of the Sainik Schools Society, BRCM Sainik School extended full support to the candidates during the medical examination process for the academic session 2026–27. A total of 112 candidates were assisted in completing their medical examinations at the CMO Bhiwani Hospital from 13th March 2026 to 28th March 2026.

School representatives remained present throughout the duration to assist candidates and their parents, ensuring the medical process. The initiative reflects the institution's commitment to support students at every stage of the admission process and upholding the standards set by the Sainik Schools Society.

The school is fully geared up to provide a nurturing and structured environment that promotes academic excellence, physical fitness and character development among the students.

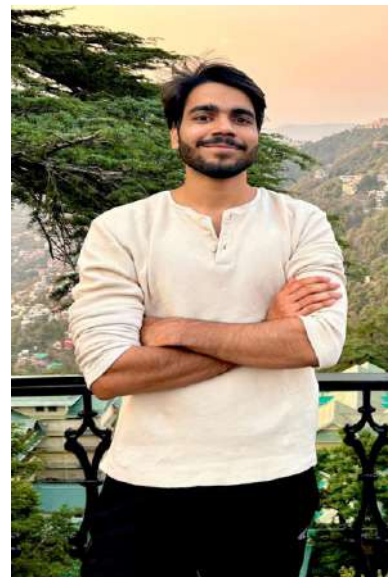

Alumni Corner

BRCM Gyankunj School proudly celebrates a remarkable achievement of its distinguished alumni Pinki Sheoran, Akshay Sihag and Mohit Sheoran who have secured excellent positions in the prestigious SSC, CGL examinations. Their success stands as a testament to their hard work, dedication and unwavering determination.

This outstanding accomplishment has not only brought immense pride to the school but has also set a shining example for current students. Their journey reflects that with perseverance and focused effort, even the most challenging goals can be achieved.

The entire school fraternity extends its heartfelt congratulations to these achievers and wishes them continued success in all their future endeavours.

BRCM

PUBLIC SCHOOL (SHISHUKUNJ)

New Year Celebration

New Year was celebrated at Vidyagram Campus on 01st January 2026 with great enthusiasm. Students and staff members presented dance and song performances, making the occasion lively and enjoyable. The event brought everyone together and filled the surroundings with joy and happiness.

Lohri Celebration

Lohri was celebrated on 13th January 2026, in the school with great enthusiasm. Students delivered speeches on the occasion, highlighting its cultural significance. As part of the tradition, groundnuts and rewari were offered to the sacred fire. Everyone enjoyed singing and dancing, while offering peanuts, popcorn, and sweets to the fire as a symbol of gratitude. The celebration beautifully reflected the rich cultural heritage and festive spirit. The event fostered a sense of unity and joy among students and staff alike. It also helped the younger generation understand and appreciate the importance of traditional festivals.

Foundation Day Celebration

The 40th Foundation Day of the school was celebrated on 14th January 2026, with great reverence and enthusiasm. A '**Havan**' was performed on the school premises, attended by dignitaries from Bahal. Dr. S. K. Sinha, Director, BRCM Education Society, along with Mrs. Usha Sinha, graced the occasion as the chief guests. Heads and staff members from various institutions managed by BRCM Education Society were also present, making the celebration a memorable and dignified event.

Basant Panchmi & Subhash Chandra Bose Jayanti

The festival of Basant Panchami and the birth anniversary of Subhas Chandra Bose were celebrated in the school on 23rd January 2026 with great enthusiasm. The program commenced with prayers and speeches emphasizing the significance of Basant Panchami and the invaluable contributions of Netaji to the nation.

Republic Day Celebration

On the occasion of the 77th Republic Day, the National Flag was unfurled by Rajesh Jhajharia, Principal of BRCM Gyankunj School, along with Saraswati Dixit, Vice Principal, at the Shishukunj Campus. Students presented a vibrant cultural programme and a march past by Cubs and Bulbuls was organised at the BRCM Vidyagram Campus to mark the celebration of the day.

Martyr's Day

Martyr's Day was observed in the school on 30th January 2026 with great respect and solemnity. Students and teachers paid tribute to the brave freedom fighters by observing a moment of silence.

Horticulture Area Visit

Agriculture week was organised for students of Classes III and IV. During this week, they visited the horticulture area, where they learned essential aspects of proper gardening. The students were also taught practical skills such as sowing seeds and watering plants, making the experience both educational and engaging.

Guru Ravidas Jayanti

On 12th February 2026, Sant Shiromani Guru Ravidas Jayanti was celebrated in the school with great respect and devotion. Students delivered speeches highlighting the significant contributions of Guru Ravidas towards the welfare and upliftment of society.

Chhatrpati Shivaji Jayanti

Chhatrapati Shivaji Maharaj Jayanti was celebrated in the school on 19th February 2026 with great pride and enthusiasm. Students and teachers paid tribute to the great leader, remembering his bravery and exemplary leadership. The celebration included speeches and activities that highlighted his significant contributions to Indian history, inspiring students with values of courage and patriotism.

12th Chhogmal Chaudhary Gramin Khel Mahotsava

The 12th Chhogmal Chaudhary Gramin Khel Mahotsava was organised in the school with great enthusiasm and energy. A variety of sports and games such as kabaddi, long jump, volleyball, tug of war, races, matka daud and high jump were conducted, with active participation from students. Alongside the sporting events, students beautifully showcased Haryanvi culture through a vibrant dance performance. A well-coordinated PT display was also presented, reflecting teamwork and unity. The entire event was filled with excitement and turned out to be a memorable experience for everyone. The event encouraged physical fitness and sportsmanship among the students. It also provided a platform to nurture talent and build confidence among participants.

Swami Dayanand Jayanti

Swami Dayanand Saraswati Jayanti was celebrated in the school on 12th February 2026 with great respect and devotion. Students and teachers paid heartfelt tribute to Swami Dayanand Saraswati, remembering his teachings and valuable contributions to society. The celebration included speeches and activities that inspired students to follow the path of truth, righteousness, and knowledge.

Holika Dahan

Holika Dahan was celebrated on 04th March 2026 at the Central Lawn Ground. It is an important Hindu festival that symbolizes the victory of good over evil and is observed on the night before Holi, usually in the month of March. The festival holds deep mythological, cultural, and social significance in Indian tradition.

Dulhandi Celebration

On 05th March 2026, the festival of Dhulandi was celebrated in the Central Lawn with great joy and enthusiasm. Dhulandi, observed a day after Holika Dahan, is a vibrant part of the Holi festival, known for its colorful celebrations and spirit of togetherness. People enthusiastically participated in the festivities, enjoying the playful use of colors, music and cheer. The occasion reflected happiness, unity, and the rich cultural traditions of North India.

International Women's Day

As we all know, women play a vital role in everyone's life. On 07th March 2026, students delivered speeches highlighting the significance and contributions of women in society. The occasion served as a reminder of the invaluable role women play in shaping families, communities, and the nation. From being caring mothers and supportive sisters to excelling as leaders, scientists, teachers and entrepreneurs, women have demonstrated their capabilities in every field.

Cooking Without Fire

A skill-based activity on “**No Fire Cooking**” was organized for the students of Classes V and VI in the school. The primary objective of the activity was to foster creativity and develop basic life skills among students. The children participated enthusiastically and prepared a variety of healthy and delicious dishes without using fire. They demonstrated excellent teamwork and coordination throughout the activity. The students also presented their dishes to the teachers and the Principal for tasting. The activity proved to be enjoyable and informative, while also enhancing the students' confidence and practical skills.

MANAV KALYAN HOSPITAL

Renovation of Manav Kalyan Hospital

A new multi-speciality hospital in the name of Manav Kalyan Hospital in Behal is a transformative step toward improving health care access, quality and equity for the rural people of Behal and adjoining areas. The Hospital which was established in 1987 at Behal by Manav Kalyan Trust, Behal, is being transformed as 100 bedded Multi-Speciality Hospital for health Care Services.

Recently, Manav Kalyan Hospital has undergone major renovation & modification with modern infrastructure, new hospital furnishing along with commissioning of high-end operation theatre and other medical facilities such as X-ray Room, ICU, Emergency Room, Pathology Lab, Labour Room, etc. This hospital will have healthcare facilities that will provide treatment in various medical disciplines such as medicine, surgery, paediatrics, gynaecology, dental, eye, physiotherapy, etc. under one roof.

The purpose of this hospital in this rural area is to ensure that people of this area no longer need to travel long distances to cities like Hisar, Bhiwani etc. for specialized care. Finally, trust is committed to get this hospital accredited by NABH in near future to explore more educational ventures in the field of Medicine such as Nursing College.
